THE DANCE COMMITTEE for the KC dance Saturday night. Richard Daniels, co-chairman, Dr. Edward C. Warner, chairman, James Hartwig and Emil Kuba.

New Postal Regulations

Postmaster Roy I. Kufalk of Antioch Post Office has announced that a Mail Standardization program by the Post Office Department will begin January 1, 1963.

Patrons, but most specifically, manufacturers of envelopes and mailer firms should start planning now for the changes in mailing procedures which will go into effect on January 1, 1963. These changes are the first step towards mail standardization, and will eliminate a major source of delay in mail processing, the extremely small and odd kinds of mail which cause trouble in modern cancelling machines and other postal mechanization equipment. Two of the new rulings are mandatory—two are recommended.

The two mandatory standards are:

A. Pieces less than 3 inches in width (height) or 4 1/4 inches in length will not be mailable.

B. Pieces having shapes other than rectangular (4 right angles) will be non-mailable.

The two recommended standards are:

A. Pieces having a ratio of height to length of less than 1 to 1.414 (1 to the square root of 2) are not recommended.

B. Pieces which are not sealed or secured on all four edges so that they may be handled by machines are not recommended.

These new standards are being adopted so that progress can be made in the development of economical mail handling machinery.

Mail processed by machines must be consecutively passed through automatic cutting, facing-cancelling, and sorting devices at machine speeds. Each piece is repeatedly stacked, de-stacked, transported by roll and belt conveyors, free-fallen, and gated. Envelopes, double post cards, and self mailers with loose flaps and unsealed edges interleave with other mail and cause frequent jams in the equipment resulting in damaged mail and time-consuming delays.

KC Charity Dance Sat.

The annual Charity Dance sponsored by the Knights of Columbus of Antioch Council will be held at the Lindenhurst Civic Center this Saturday night, Nov. 10.

The Frank Cuden orchestra will provide the music for dancing. Special events, decorations, food and refreshments have been planned to make it a pleasurable evening. The Civic Center has an excellent dance floor with table accommodations.

Proceeds of the affair are used to help worthy charities. Tickets are available at the door, and the public is invited.

Dr. Edward C. Warner is chairman of the event. Co-chairmen are Jim Hartwig, Richard Daniels and Daniel Dagensko.

The Civic Center is located at 1949 Old Elm Road.

Local Business Sold

Gordon Wald of East Loon Lake has purchased Antioch Distributing, distributors of Lasser's Pops and Kayo, from Richard Stroner.

The new phone number and address of the business is 395-1468, Rt. 2, Box 238, Antioch.

Call 395-2121

Not Operator: Chief Simonsen

Fire Chief Edgar Simonsen would like to call the attention of the public to a fact that could save their lives or their homes in case of fire.

The number to call in case of a fire is 395-2121. Calling the operator, who must then call the fire department, wastes precious moments.

The fire department has stickers for phones available carrying the number of both the fire department and the Rescue Squad. They can be picked up at the Antioch News office, or can be secured by writing to the Fire Department, enclosing a stamped, self-addressed envelope.

Head-On Car Crash Injures Four Persons

Four people were injured Saturday, Nov. 2, in a head-on collision on Route 21 about a mile south of Antioch.

Leonard A. Andre, Rt. 2, Lake Villa, and his son, James, 13, were taken to the Antioch Clinic and Victory Memorial Hospital by the Antioch Rescue Squad after the accident. Jack G. Grabow, Rt. 1, Salem, Wis., and his 16-year-old son, Michael, less seriously injured, were taken to the Antioch Clinic by the Fire Department.

The accident happened when Andre, south-bound on Rt. 21, pulled into the north-bound lane to pass another car and collided with the car of Grabow, who was north-bound. Andre's car was upside-down in the ditch after the collision. He was charged with improper lane usage.

Adolph's Inn Changes Hands

Mr. and Mrs. Charles Kakacek, formerly of North Riverside, have purchased Adolph's Channel Inn, on Route 173 at Channel Lake, from the former owners, Mr. and Mrs. Adolph Helms.

The Kakaceks formerly operated Charlie's Lounge in Riverside. They intend to specialize in Bohemian cooking.

The Helms, with the help of their daughter and son-in-law, Mr. and Mrs. Joseph (Marie) Lekowitch, operated Adolph's Channel Inn for 24 years. They specialized in fine food. A large share of their clientele was drawn from fishermen.

The Helms had a going-away party on Saturday, October 29. They will move to Longwood, Fla. The Helms are retiring. Mr. and Mrs. Lekowitch also have a home in Longwood.

Vos Attends Convention

Ed F. Vos, President of the Antioch Lumber & Coal Co., attended a 3-day Annual Convention of the National Retail Lumber Dealers Association at the McCormick Place Exhibit Hall in Chicago.

During his visit he made the rounds of exhibits and sat in on industry fact-finding business sessions and conferred on new policy and product development with manufacturers of home building materials.

H. S. Play Fri. and Sat.

Tickets for the play being presented at the Antioch High School on November 9 and 10 can be purchased at the door, 8173 Kenneth Smouse, director of the play. The cast for "The Diary of Anne Frank" has been rehearsing 2 1/2 hours all week in preparation for the big nights, Friday and Saturday. Mr. Smouse anticipates that the play will probably be the biggest and best ever produced at Antioch High School.

The moving and tragic story of a Jewish family hiding from Nazi persecution, related by the daughter of the family in her diary, has enthralled audiences at each presentation. It's a true story, and the play was adapted from the diary. The title role of Anne is played by Suraya Brook.

The play will be presented at 8 p.m. this Friday and Saturday at the Antioch High School.

Horan Reports To Post 748

Civil Defense Director L. L. Horan, reporting to Legion members at their last meeting, said that most of the Civil Defense program in Antioch is on paper.

Antioch, he said, has a possible nine shelters and two for food and medicine. There are no auxiliary police or firemen. No money has been appropriated for Civil Defense.

The meeting of Antioch Post 748 was held on Nov. 1. The charter was draped in memory of William Thiemann, Legion member who died October 31.

Post 748 will meet at Hillside Cemetery at 10:50 a.m. on Nov. 11 to pay respects to War dead.

Antioch Post will host the Downey Hospital card party on December 3.

Civil Defense Slates Medical Course

The Lake County Civil Defense, Lake County Health Department, and the Lake County Superintendent of Schools office are sponsoring a medical self-help course at Antioch Township High School beginning Tuesday, Nov. 13, 7-9 p.m., it was announced today by Mr. Richard W. Miller, Director of the Lake County Civil Defense Unit.

The medical self-help training course is a basic information series taught for the purpose of affording individuals with information necessary to take care of medical needs for a period up to two weeks. This two-week period would be during time of an emergency when no professional medical assistance would be available to the family. For this reason, the course goes a great deal further than basic first aid.

Each student receives reference text and resource documents. The formal training course includes academic training sessions on radio-active fallout and shelter preparation, sanitation and vermin control, emergency water and food supplies, shock, bleeding and bandaging, artificial respiration, splinting, transportation of the injured, nursing care of the sick and wounded, and emergency childbirth.

Mr. Miller said that it is of the utmost importance that one member of each family in Lake County be trained in medical self-help. Additional information about this course may be secured by contacting the Lake County Civil Defense office at the Sheriff's radio station in Libertyville, EM 2-3003, or by calling the Director of Antioch Township High School's Adult Evening Classes.

GOP Makes Easy Sweep Of Antioch

With sunny skies contributing to an unusually heavy vote for an off year, Republicans made their usual sweep of Antioch and Lake County, with Blairtown the only Democrat making a good showing. Dirksen won easily, despite predictions that Yates would score heavily. Coulson won over Green, and Representative Murphy was the heaviest vote-getter in the Antioch precincts.

Charles Larson won the sheriff's office, and Ray Page unseated incumbent George Wilkins as Superintendent of Public Instruction. W. C. Petty was unopposed for county Superintendent of Schools.

Both the Blue Ballot for Judicial Reform and the Banking Act were easy victories.

674 votes were cast in Precinct 1 (Fire Station), 579 votes were cast in Precinct 2 (Village Hall), 363 votes were cast in Precinct 3 (Lotus School), 682 votes were cast in Precinct 4 (Grass Lake Scout Home), 488 votes were cast in Precinct 5 (Channel Lake School), 618 votes were cast in Precinct 6 (Emmons School).

35 Years For Purdy

Donald Purdy, of Lake Drive and Marie Avenue, Antioch, marked his 35th year in the electric utility business November 8. He is a maintenance inspector for Public Service Company's overhead construction department at Mt. Prospect.

Donald Purdy

Purdy has been associated with line construction and operating activities for the utility throughout most of his long career, which began in Evanston in 1927. He became a maintenance inspector at Mt. Prospect in 1961.

Purdy moved to Antioch eight years ago after having lived in Evanston for 48 years. He and his wife, Evelyn, have a married son, Donald, who lives in El Cajon, Calif.

Purdy's favorite pastime is boating.

Home at Channel Lake Fire Damaged Sunday

The large white frame house on Wilmet Road owned by Dr. Stanley Anderson and occupied by the Stephen Adams family was badly damaged by fire Sunday, Nov. 4.

The Antioch Fire Department was called to the home at about 9:45 a.m. Sunday, and found the interior of the house in flames.

Two of the family were in church when the fire started. Chief Edgar Simonsen said, and three were asleep upstairs. Fortunately, said the chief, there were two stairways in the eleven room home. The front room of the home and the front stairway were blazing when the fire department arrived. The family escaped from the upstairs bedrooms by a rear stairway.

Someone had called the Wilmet and Trevor fire departments and they arrived with five trucks. The fire was extinguished after about two hours.

It was impossible to determine the cause of the fire, Fire Chief Simonsen said, because the rooms where it originated were so badly charred. He estimated about \$6,000-\$8,000 worth of damage was done to the home. The rooms which were not

burned were badly damaged by smoke.

The person who reported the fire, the fire chief said, called the operator instead of calling the fire department direct—395-2121. This, he said, always means a slight delay in responding to a fire.

The Antioch Fire Department had been called to the Adams home about a week previously, when a grass fire across the road from the house threatened the large barn and outbuildings on the farm.

The fire department was also called out to the scene of a two-car accident on Route 21 on Saturday, when one of the cars caught fire. The fire was extinguished by someone with a fire extinguisher before the department truck reached the scene but the firemen aided in controlling the traffic and took two of the injured to the Antioch Clinic.

Red Cross Has Open House

Open house at your Red Cross Chapter House, 308 Julian st., Waukegan will be held November 9, from 1 to 9 p.m. See your Red Cross in action and visit with history. Newly painted, the house is one of the oldest in Waukegan. During Lincoln's campaign for the Presidency in 1860 he slept in the house. The actual bed he slept in and other Lincoln items are on display. Bring the family and come to 308 Julian st., Waukegan on Nov. 9.

II Gas Shows Gain

Northern Illinois Gas Company, in its quarterly report to stockholders, said earnings for the 12 months ended Sept. 30, 1962, were \$2.71. This compares with earnings of \$2.77 a share for the year ended June 30, 1962, and \$2.18 for the 12 months ended September 30, 1961.

Tuesday night's village board meeting started with a complaint from three local businesses on the high cost of water under the new rates and a request that an adjustment be made in their rates. Ed Sorenson, of Sorenson's Bail Shop; Eldrid Wilson of Wilson's Laundromat; and Oliff Randall of the Antioch Laundrette, asked the board to consider giving them a special commercial rate, because of the great quantity of water they use goes into the sewer system as practically clear water, needing little processing by the sewage disposal plant. The new water rates, they said, would practically put them out of business. They stated that unless the village board could make some adjustment, they would be forced to install a water reclaiming system, reusing their water and cutting down on the gallonage of village water they used.

Attorney E. C. Jacobs said the village could not adjust the water rates without review of the situation by the bonding company issuing the Water and Sewer bonds. The bonds were issued on the basis of the present water rate and the revenue it would bring in. The bonding company, he stated, would probably refuse to review the matter until at least two quarters had elapsed. He pointed out that Antioch residents had enjoyed disproportionately low water rates for many years, so felt the boost in rates more than other localities. Antioch's rates, he said, are still lower than most villages.

Ernest Glenn presented to the board a request of a Mr. Passman, who hopes to subdivide property south of the village on Route 21, that he be allowed to hook into the village's sewer system. The county, he said, would approve the subdivision plans if the village would supply sewer service. Mr. Passman proposed to install the sewerage system at his own expense, and pay the village for sewer service. Board members objected that village residents, fearing future overloading of the sewage disposal plant, would object to

the move, and the request was tabled.

The proposed subdivision is west of Route 21, behind Floral Acres, south of Beach Grove Road, and would include 270 homes.

The question as to when Oakwood Knolls would start receiving sewer service was brought up. Engineer Miller estimated it would probably be about the first of January.

Ernest Glenn reported that Mr. Calhoun, representing the State Highway division, had inspected the road on North Main and informed the board of the State's requirements in restoring the road. The state will require the village to install pavement in the center strip nine inches deep and ten feet wide and replace broken pavement where edges broke away when the road was dug up. He agreed that the work could wait until spring, but the village must maintain a good gravel coat to prevent further damage. He also recommended that the surface be oiled, to prevent water seepage until the work is completed. The highway must be finished with two layers of blacktop, twelve feet wide (one foot wider on each side than the cement strip). Cost of the repairs is estimated at \$19,000-\$20,000.

Board member Williams reported that investigation of the use of Henry St. revealed that a one-way traffic flow on the street was impractical. He recommended that it be changed to a two-way street, with parking on the east side only. The board voted to approve his proposal.

The village board voted to have seven dead elm trees removed from the village parkway. Fire Chief Edgar Simonsen asked that the board approve plans for celebration of the fiftieth year of the Antioch Fire Department. The celebration is scheduled for next June, and will include the Firemen's dance, a parade and an Open House, according to present plans.

It was announced that chlorination of the new water tower would start Tuesday, and the use of the new tower should start next Monday.

Mayor Cunningham announced the receipt of a letter from All-State Insurance

(Continued on Page Three)

15 Winners In P, P & K

Ninety-four boys, aged 7 to 11 years, competed in this year's Punt, Pass & Kick contest. From the 94, judges finally picked 15 winners.

Seven-year-old winners were Dennis DeBoer, Jerry Smouse and John Collins. In the eight-year-old group, Richie Hansen, Gilly Gaa, and Jimmy Jester carried off the honors. Nine-year-old winners were Tom Martin, Patrick Zeien and Gary Stoll. The ten-year-olds were led by Rick Nelson, Jim Haley and Jim Polley. Eleven-year-old winners were Dennis Rockow, Jim Kopriva and William Ganzer.

The contest was held at the Antioch High School football field Saturday, starting at 9 a.m. Judges were Roy Nelson, Jim Erdman, Doug Risberg and John Fields.

First place winners were awarded a Bear's football jacket, second place, a football helmet and third place a football autographed by members of the Chicago Bears team.

In addition to the prizes received, the boys' scores will be sent to the National competition to compete with boys their age all over the country. Should there be a local winner, he will go on to further competition and possibly larger prizes.

Some of last year's winners were also among this year's winners. Those winning prizes for the second year in a row are Jerry Smouse, Billy Gaa, Gary Stoll, Dennis Rockow, and William Ganzer.

Turkey Shoot Veteran's Day

All is in complete readiness for those eager nimrods who are intent on knocking off a plump young turkey for the Thanksgiving feast, reported Dick Waters, president of Northern Illinois Conservation Club, who also heads the special committee in charge of the Club's first annual turkey shoot.

Trap shooting equipment is all in place, a good supply of ammunition and clay birds are in stock and plenty of mouth watering turkeys, ducks and Cornish hens will be on hand Sunday, November 11 at the shooting site, which is located on Highway 21-83, one mile south of Antioch.

Contests will include high score marksmanship shoots as well as "red bird" events, all by five man teams. For those fans who prefer to stand around and "shoot the breeze," there will be a refreshment stand manned by head chef Willis Shannon, loaded down with good stuff to eat. Plenty of free parking has been provided and everyone is invited to come out to shoot or to watch the shooters.

Net proceeds of the meet will be used by the Club to continue its conservation and youth indoctrination program.

Starting time is 10 a.m. and will continue until dark.

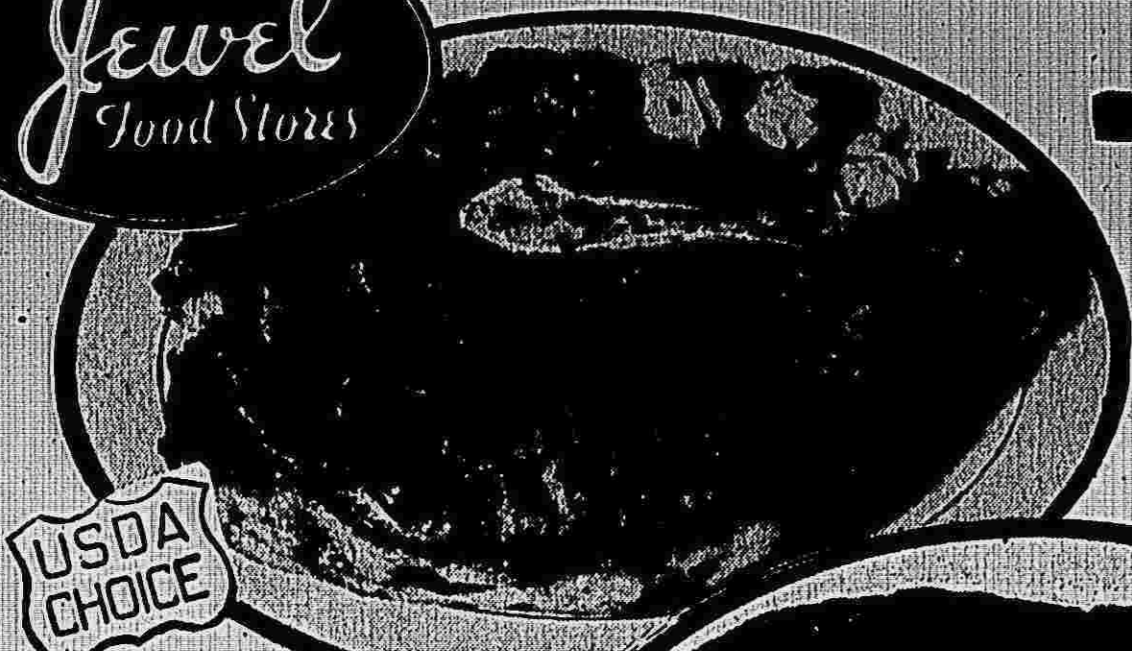

WINNERS IN THE Punt, Pass & Kick Contest, 7, 8 and 9-year-olds. Dennis DeBoer, Jerry Smouse, John Collins, Richie Hansen, Billy Gaa, Jimmy Jester, Tom Martin, Patrick Zeien and Gary Stoll.

THE DANCE COMMITTEE for the KC dance Saturday night. Richard Daniels, co-chairman, Dr. Edward C. Warner, chairman, James Hartwig and Emil Kuba.

New Postal Regulations Call 395-2121 Not Operator: Chief Simonsen

Postmaster Roy L. Kufalk of Antioch Post Office has announced that a Mail Standardization program by the Post Office Department will begin January 1, 1963.

Patrons, but most specifically, manufacturers of envelopes and mailer firms should start planning now for the changes in mailing procedures which will go into effect on January 1, 1963. These changes are the first step towards mail standardization, and will eliminate a major source of delay in mail processing the extremely small and odd kinds of mail which cause trouble in modern cancelling machines and other postal mechanization equipment. Two of the new rulings are mandatory—two are recommended.

The two mandatory standards are:

A. Pieces less than 3 inches in width (height) or 4 1/4 inches in length will not be mailable.

B. Pieces having shapes other than rectangular (4 right angles) will be non-mailable.

The two recommended standards are:

A. Pieces having a ratio of height to length of less than 1 to 1.414 (1 to the square root of 2) are not recommended.

B. Pieces which are not sealed or secured on all four edges so that they may be handled by machines are not recommended.

These new standards are being adopted so that progress can be made in the development of economical mail handling machinery.

Mail processed by machines must be consecutively passed through automatic culling, facing-cancelling, and sorting devices at machine speeds. Each piece is repeatedly stacked, de-stacked, transported by roll and belt conveyors, free-fallen, and gated. Envelopes, double post cards, and self mailers with loose flaps and unsealed edges interleave with other mail and cause frequent jams in the equipment resulting in damaged mail and time-consuming delays.

KC Charity Dance Sat.

The annual Charity Dance sponsored by the Knights of Columbus of Antioch Council will be held at the Lindenhurst Civic Center this Saturday night, Nov. 10.

The Frank Cuden orchestra will provide the music for dancing. Special events, decorations, food and refreshments have been planned to make it a pleasurable evening. The Civic Center has an excellent dance floor with table accommodations.

Proceeds of the affair are used to help worthy charities. Tickets are available at the door, and the public is invited.

Dr. Edward C. Warner is chairman of the event. Co-chairmen are Jim Hartwig, Richard Daniels and Daniel Dugenske.

The Civic Center is located at 1949 Old Elm Road.

Local Business Sold

Gordon Wald of East Loon Lake has purchased Antioch Distributing, distributors of Lasser's Pops and Kayo, from Richard Stroner.

The new phone number and address of the business is 395-1468, Rt. 2, Box 238, Antioch.

H. S. Play Fri. and Sat.

Tickets for the play being presented at the Antioch High School on November 9 and 10 can be purchased at the door, 8193 Kenneth Smouse, director of the play. The cast for "The Diary of Anne Frank" has been rehearsing 2 1/2 weeks in preparation for the big nights, Friday and Saturday. Mr. Smouse anticipates that the play will probably be the biggest and best ever produced at Antioch High School.

The moving and tragic story of a Jewish family hiding from Nazi persecution, related by the daughter of the family in her diary, has enthralled audiences at each presentation. It's a true story, and the play was adapted from the diary. The title role of Anne is played by Suraya Brook.

The play will be presented at 8 p.m. this Friday and Saturday at the Antioch High School.

Horan Reports To Post 748

Civil Defense Director J. L. Horan, reporting to Legion members at their last meeting, said that most of the Civil Defense program in Antioch is on paper.

Antioch, he said, has a possible nine shelters and two for food and medicine. There are no auxiliary police or firemen. No money has been appropriated for Civil Defense.

The meeting of Antioch Post 748 was held on Nov. 1. The charter was draped in memory of William Thieman, Legion member who died October 31.

Post 748 will meet at Hillside Cemetery at 10:50 a.m. on Nov. 11 to pay respects to War dead.

Antioch Post will host the Downey Hospital card party on December 3.

Civil Defense Slates Medical Course

The Lake County Civil Defense, Lake County Health Department, and the Lake County Superintendent of Schools office are sponsoring a medical self-help course at Antioch Township High School beginning Tuesday, Nov. 13, 7-9 p.m., it was announced today by Mr. Richard W. Miller, Director of the Lake County Civil Defense Unit.

The medical self-help training course is a basic information series taught for the purpose of affording individuals with information necessary to take care of medical needs for a period up to two weeks. This two-week period would be during time of an emergency when no professional medical assistance would be available to the family. For this reason, the course goes a great deal further than basic first aid.

Each student receives reference text and resource documents. The formal training course includes academic training sessions on radio-active fallout and shelter preparation, sanitation and vermin control, emergency water and food supplies, shock, bleeding and bandaging, artificial respiration, splinting, transportation of the injured, nursing care of the sick and wounded, and emergency childbirth.

Mr. Miller said that it is of the utmost importance that one member of each family in Lake County be trained in medical self-help. Additional information about this course may be secured by contacting the Lake County Civil Defense office at the Sheriff's radio station in Libertyville, EM 2-3003, or by calling the Director of Antioch Township High School's Adult Evening Classes.

GOP Makes Easy Sweep Of Antioch

With sunny skies contributing to an unusually heavy vote for an off year, Republicans made their usual sweep of Antioch and Lake County, with Baird the only Democrat making a good showing. Dirksen won easily, despite predictions that Yates would score heavily. Coulson won over Green, and Representative Murphy was the heaviest vote-getter in the Antioch precincts.

Charles Larson won the sheriff's office, and Ray Page unseated incumbent George Wilkins as Superintendent of Public Instruction. W. C. Petty was unopposed for county Superintendent of Schools.

Both the Blue Ballot for Judicial Reform and the Banking Act were easy victories.

674 votes were cast in Precinct 1 (Fire Station); 579 votes were cast in Precinct 2 (Village Hall); 363 votes were cast in Precinct 3 (Lotus School); 682 votes were cast in Precinct 4 (Grass Lake Scout Home); 488 votes were cast in Precinct 5 (Channel Lake School); 616 votes were cast in Precinct 6 (Emmons School).

35 Years For Purdy

Donald Purdy, of Lake Drive and Marie Avenue, Antioch, marked his 35th year in the electric utility business November. He is a maintenance inspector for Public Service Company's overhead construction department at Mt. Prospect.

Donald Purdy

Purdy has been associated with line construction and operating activities for the utility throughout most of his long career, which began in Evanston in 1927. He became a maintenance inspector at Mt. Prospect in 1961. Purdy moved to Antioch eight years ago after having lived in Evanston for 48 years. He and his wife, Evelyn, have a married son, Donald, who lives in El Cajon, Calif.

Purdy's favorite pastime is boating.

Water Rates, New Building Plans Absorb Village Board

Home at Channel Lake Fire Damaged Sunday

The large white frame house on Wilmet Road owned by Dr. Stanley Anderson and occupied by the Stephen Adams family was badly damaged by fire Sunday, Nov. 4.

The Antioch Fire Department was called to the home at about 9:45 a.m. Sunday, and found the interior of the house in flames.

Two of the family were in church when the fire started, Chief Edgar Simonsen said, and three were asleep upstairs. Fortunately, said the chief, there were two stairways in the eleven room home. The front room of the home and the front stairway were blazing when the fire department arrived. The family escaped from the upstairs bedrooms by a rear stairway.

Someone had called the Wilmet and Trevor fire departments and they arrived with five trucks. The fire was extinguished after about two hours.

It was impossible to determine the cause of the fire, Fire Chief Simonsen said, because the rooms where it originated were so badly charred. He estimated about \$5,000-\$6,000 worth of damage was done to the home. The rooms which were not burned were badly damaged by smoke.

The person who reported the fire, the fire chief said, called the operator instead of calling the fire department direct—395-2121. This, he said, always means a slight delay in responding to a fire.

The Antioch Fire Department had been called to the Adams home about a week previously, when a grass fire across the road from the house threatened the large barn and outbuildings on the farm.

The fire department was also called out to the scene of a two-car accident on Route 21 on Saturday, when one of the cars caught fire. The fire was extinguished by someone with a fire extinguisher before the department truck reached the scene but the firemen aided in controlling the traffic and took two of the injured to the Antioch Clinic.

Ernest Glenn presented to the board a request of a Mr. Passman, who hopes to subdivide property south of the village on Route 21, that he be allowed to hook into the village's sewer system. The county, he said, would approve the subdivision plans if the village would supply sewer system. Mr. Passman proposed to install the sewerage system at his own expense, and pay the village for sewer service. Board members objected that village residents, fearing future overloading of the sewage disposal plant, would object to

Tuesday night's village board meeting started with a complaint from three local businesses on the high cost of water under the new rates and a request that an adjustment be made in their rates. Ed Sorenson, of Sorenson's Bait Shop; Eldrid Wilson of Wilson's Laundromat and Cliff Randall of the Antioch Laundrette, asked the board to consider giving them a special commercial rate, because of the great quantity of water they use goes into the sewer system as practically clear water, needing little processing by the sewage disposal plant. The new water rates, they said, would practically put them out of business. They stated that unless the village board could make some adjustment, they would be forced to install a water reclaiming system, reusing their water and cutting down on the gallonage of village water they used.

Attorney E. C. Jacobs said the village could not adjust the water rates without review of the situation by the bonding company issuing the Water and Sewer bonds. The bonds were issued on the basis of the present water rate and the revenue it would bring in. The bonding company, he stated, would probably refuse to review the matter until at least two quarters had elapsed. He pointed out that Antioch residents had enjoyed disproportionately low water rates for many years, so felt the boost in rates more than other localities. Antioch's rates, he said, are still lower than most villages.

Ernest Glenn presented to the board a request of a Mr. Passman, who hopes to subdivide property south of the village on Route 21, that he be allowed to hook into the village's sewer system. The county, he said, would approve the subdivision plans if the village would supply sewer system. Mr. Passman proposed to install the sewerage system at his own expense, and pay the village for sewer service. Board members objected that village residents, fearing future overloading of the sewage disposal plant, would object to

The village board voted to have seven dead elm trees removed from the village parkway.

Fire Chief Edgar Simonsen asked that the board approve plans for celebration of the fiftieth year of the Antioch Fire Department. The celebration is scheduled for next June, and will include the Firemen's dance, a parade and an Open House, according to present plans.

It was announced that chlorination of the new water tower would start Tuesday, and the use of the new tower should start next Monday.

Mayor Cunningham announced the receipt of a letter from All-State Insurance (Continued on Page Three)

15 Winners In P, P & K

Ninety-four boys, aged 7 to 11 years, competed in this year's Punt, Pass & Kick contest. From the 94, judges finally picked 15 winners.

Seven-year-old winners were Dennis DeBoer, Jerry Smouse and John Collins. In the eight-year-old group, Richie Hansen, Billy Gaa, and Jimmy Jester carried off the honors. Nine-year-old winners were Tom Martin, Patrick Zeien and Garry Stoll. The ten-year-olds were led by Rick Nelson, Jim Haley and Jim Polley. Eleven-year-old winners were Dennis Rockow, Jim Kopriva and William Ganzer.

The contest was held at the Antioch High School football field Saturday, starting at 9 a.m. Judges were Roy Nelson, Jim Erdman, Doug Risberg and John Fields.

First place winners were awarded a Bear's football jacket, second place, a football helmet and third place a football autographed by members of the Chicago Bears team.

In addition to the prizes received, the boys' scores will be sent to the National competition to compete with boys their age all over the country. Should there be a local winner, he will go on to further competition and possibly larger prizes.

Some of last year's winners were also among this year's winners. Those winning prizes for the second year in a row are Jerry Smouse, Billy Gaa, Gary Stoll, Dennis Rockow, and William Ganzer.

the move, and the request was tabled.

The proposed subdivision is west of Route 21, behind Floral Acres, south of Beach Grove Road, and would include 270 homes.

The question as to when Oakwood Knolls would start receiving sewer service was brought up. Engineer Miller estimated it would probably be about the first of January.

Ernest Glenn reported that Mr. Calhoun, representing the State Highway division, had inspected the road on North Main and informed the board of the State's requirements in restoring the road. The state will require the village to install pavement in the center strip nine inches deep and ten feet wide and replace broken pavement where edges broke away when the road was dug up. He agreed that the work could wait until spring, but the village must maintain a good gravel coat to prevent further damage. He also recommended that the surface be oiled, to prevent water seepage until the work is completed. The highway must be finished with two layers of blacktop, twelve feet wide (one foot wider on each side than the cement strip). Cost of the repairs is estimated at \$10,000-\$20,000.

Board member Williams reported that investigation of the use of Henry St. revealed that a one-way traffic flow on the street was impractical. He recommended that it be changed to a two-way street, with parking on the east side only. The board voted to approve his proposal.

The village board voted to have seven dead elm trees removed from the village parkway.

Fire Chief Edgar Simonsen asked that the board approve plans for celebration of the fiftieth year of the Antioch Fire Department. The celebration is scheduled for next June, and will include the Firemen's dance, a parade and an Open House, according to present plans.

It was announced that chlorination of the new water tower would start Tuesday, and the use of the new tower should start next Monday.

EDITORIAL

You Get What You Pay For

Antioch residents have received their first water bills under the new rates, and there's weeping and tearing of hair—figuratively speaking, of course.

The big jump in the water bills illustrates one of the sad facts of life that we all adjust to in our personal budgets, but can never seem to comprehend in government—you have to pay for anything you get.

We all cry about high taxes, and vote for improvements in our school systems, for more services from local, county, state and federal governments. Then we're outraged when our taxes—or in this case, water bills—go up.

The new sewer and water system was needed. Antioch residents voted for the improvement. The work has been done, and must be paid for.

The new rates were also published in an ordinance which appeared in The Antioch News September 6, 1962.

If you don't understand the charge on your water bill, or want an explanation of why rates were raised to this extent, we suggest you go to the next meeting of your village board and ask.

Courthouse Notebook

BY LOU DURKIN

The number of members on the advisory board of the Lake County Forest Preserve District and the manner of their appointment and selection is causing greater controversy than the selection of sites for these ghostly preserves.

The present advisory board feels that it has a vested interest in the district and wants to perpetuate themselves and those of similar viewpoints on the committee, reasoning with some reason, that an adviser appointed by the Forest Preserve District is apt to go along pretty much with the advise.

The commissioners, who are also members of the county board wearing forest type hats, feel that since they are ultimately responsible for the operation of the district, they should have advisers who would advise them along proper lines, e.g. the way they want to be advised.

At any rate, if and when this momentous problem is ever resolved, we would like to offer a bit of unsolicited and wholly unofficial advice. It is all well and good to look to the Des Plaines River for Forest Preserve sites, but leave us not overlook one of our greatest assets, to wit, the once flourishing lotus beds in the Grass Lake area. Channel dredging, hot hull boaters, subdivision developers and extremes of high and low water in the Chain O' Lakes have virtually eliminated the beds, but there are reportedly a few still blossoming on occasion in hard to get at areas.

These beds should be protected and brought into the Forest Preserve District immediately even if it means securing a special act of the legislature to authorize their acquisition.

These lotus beds are unique and have been a tremendous attraction for the area in the past, but short-sightedness, carelessness, and greed masquerading as progress have decimated them until they are almost as extinct as the whooping crane.

Members of the Lake County Building Commission, who have been given the responsibility of building a new courthouse, and those members of the county board who favor the new building had better come up with some sound answers soon on the charge that the board pledged to reduce or eliminate the county general fund tax if a surplus developed after the elimination of the township collectors.

Frank (Quarantine) Peers, assistant supervisor of Deerfield Township, who has been broadcasting this allegation, is picking up important supporters, backers who find it contrary to their normal tendencies to agree with him.

The county treasurer, on the basis of the three percent

collection fee he receives from each taxing body for collecting their taxes, is turning over a very tidy sum to the general fund and the excess funds are being turned over to the building commission.

Peers maintains, and many others accept, his interpretation, that the surplus funds should be used to reduce or eliminate the county tax and then if there is a surplus, this could be used for the new courthouse.

Advocates of the new building insist that there is no surplus because the money is being transferred to the commission, but somehow the answer doesn't seem quite strong enough.

It will be interesting to see the reaction among Chain O' Lakes resort operators if the announced construction of a huge resort on the Fox River just off Route 173 becomes a reality.

Some time ago we suggested that the state would have done more good for more people by building a lodge in the Chain O' Lakes State Park than at Illinois Beach State Park.

We envisioned a host of new visitors to the area to take advantage of the tremendous recreational possibilities inherent in the network of lakes if there were first class resort accommodations available.

The suggestion was regarded as foolhardy if not downright subversive because it would have brought the state into competition with the established resorts, forcing some of them to take positive action to improve their own facilities.

We can't help wondering if the construction of a privately financed resort will spur some of the laggards into upgrading their establishments so as to reap some benefit from the new traffic which the proposed facility should bring into the area.

SPARS Anniversary

CLEVELAND, Ohio—Contrary to tradition, on Nov. 23 at least 11,000 women will have to admit their age. This is the date that the SPARS, the Women's Reserve of the United States Coast Guard, will celebrate its 20th anniversary.

The event will be marked throughout the nation on the following evening, with birthday parties in three major cities. The Mid-West (2nd, 8th and 9th Coast Guard Districts) will have an informal dinner party in St. Louis on Saturday, Nov. 24. Similar dinner parties will be held in New York City and Long Beach, Calif., on the same evening for persons residing on the coasts.

The SPARS were founded Nov. 23, 1942, when the President signed Public Law 773,

Letters to the Editor

To The Editor
Antioch News, 920 Main St.
Antioch, Ill.

Dear Sir:
May I ask the courtesy of your column to bring to the attention of Lake County citizens the precarious situation of the Lake County Forest Preserve District?

In view of the actions—October 30—of the Board of Commissioners of the Forest Preserve District, it seems to me that we are in a fair way to lose the forest preserve so overwhelmingly desired by us as shown in the 1958 referendum.

The Commissioners voted (1) Their intent to acquire "previously designated" sites or any others the board might find suitable; in order to accelerate this program it will be necessary to finance it by a 3 million dollar bond issue; that the President and the Finance Committee are empowered to study this proposal and report at the next regular meeting in December.

This appears another delaying tactic: the President and the Finance Committee of course already have the power to study and report on methods of financing the purchase of land and it is ridiculous that the Board should vote its intent to do what the referendum ordered it to do. Have we government by the people or haven't we?

(2) To apply for federal matching funds for purchase of the 100 acre Rossiter tract whose purchase was approved by the Board last summer.

The President was asked if there were not sufficient funds in the Forest Preserve account to buy this land and he said there were. The amount to be received from matching funds is only \$12 to \$18,000—a rather trivial amount. Why not save the request for federal funds for some time when the District would not have sufficient funds itself.

(3) To enlarge the Advisory Board to 12 members serving four-year staggered terms "unless sooner removed by the President with the concurrence" of the Board and selected on a geographical basis.

The number of the Advisory Board members and whether or not they serve a specific term are matters of small importance. What is important is that they should be completely independent to give the very best advice they can free from the threat of removal if the advice does not please the President and the Board of Commissioners and that they should be selected for their knowledge of and interest in conservation, not on the basis of where they live in the county. The President's request for names to be submitted to him by the Commissioners (i.e. township

which amended the Coast Guard Auxiliary and Reserve Act of 1941, so as "to expedite the war effort by providing for releasing officers and men for duty at sea and their replacement by women in the shore establishment of the Coast Guard."

The first head of the SPARS was Captain Dorothy C. Stratton, who suggested the Women's Reserve of the Coast Guard be named SPARS. She coined the title from the first letters of Coast Guard's famous fighting motto and its English translation: "Semper Paratus—Always Ready."

All SPARS, former SPARS, and other Coast Guard and Coast Guard personnel desiring details on plans for the anniversary celebration should contact the Ninth Coast Guard District Representative, Lieutenant Commander Nida Glick, 2579 N. Moreland Blvd., Cleveland. However, those living in sections of the District geographically closer to New York may wish to attend the celebration in that city. They may write to Lieutenant Commander Mary Beachand, 11 Market Lane, Great Neck, N. Y.

TIMELY THOUGHTS

"The time to make friends is before you need them."
"A man with push doesn't need pull."

"Every story has three sides, yours, mine and the facts."—St. Joseph Record.

Your Governor Reports

Consistent with the financial situation of Illinois, I will call the General Assembly into special session Monday, Nov. 12, to shift existing funds to keep the public aid program solvent.

The minimum time enactment of legislation is five legislative days. The seriousness of the situation, coupled with the general agreement to the proposed immediate remedy, should not result in a longer meeting of the assembly. I have met with the legislative leaders and all share my concern for speedy action.

No new taxes will be sought. What I will ask is that some surplus money in a few funds be transferred to the General Revenue Fund to pay public aid bills. Legislative action is needed in most such transfers because the accounts involved are used for special purposes.

The General Revenue Fund is the all-purpose account from which the state pays its day-to-day bills, including public aid. This all-important fund was empty when I took office and it constitutes the heart of the financial prob-

supervisors) opens a suspicion that future appointments could have political consideration. When one commissioner suggested that the Advisory Board itself make nominations for its membership—as in the best position to make a selection—this suggestion did not even receive a second.

Four years since its establishment the Forest Preserve District has acquired about 600 acres; 10,000 acres will be needed by 1980 to meet only minimal requirements for open space for the population estimated as of that date. Need for open space is urgent. As the Illinois Chapter of the Nature Conservancy says, in a letter to its members (of which I am one), "We face a grave emergency in the preservation of natural areas. We stand at the very last moment in history when it will be possible to save such places. What has been set aside and what we save in the next few years will be all the natural land that will remain in the future. There will never be another chance."

There is a small group on the Board of Commissioners which by its actions shows real concern for the Forest Preserve District; but the majority gives the impression of being almost opposed to it. Cannot we demand that they carry out the will of the people—our will?

Thank you.
Sincerely,
Elizabeth G. Brown
(Mrs. Granger Brown)

Gentlemen:
I'm writing this letter in the hope that you will print it in your paper.

What kind of a person would steal a three-year-old's Jack-o-lantern on Halloween? Especially when it was sitting on the front porch and there was someone at home all evening. Everyone who came to our door was treated to candy or apples and still someone stole the pumpkin. It was gone before our little girl went to bed. She was excited about Halloween as anyone. This was the first year she really knew what Halloween was really about. When she found out that her pumpkin was gone she was heart-broken.

One broken hearted little girl wants to know, Why?

Along The Way

with Annie Mae

Those beautiful, lacy snow flakes of last Sunday brought forth the snowflits, sleds (for over-anxious chilluns), and toy catalogues. Short lived though they were, that light white cover was a promise of things to come. Among the busy days of November, are Election Day, Veterans Day the 11th, and Thanksgiving on the 22nd. However, the day not marked on your calendar you have been waiting for is also in November, the arrival of your Christmas Club check. Yep, I checked with the bank today and by next week you'll be richer by whatever amount you had the foresight to stow away, with the aid of your bank.

THE LATEST REPORT: Notable Votables seen at the polls on Tuesday were Rep. Wm. Murphy, Mr. W. C. Larson; quite an impressive list for our little town. Harold Cardill made his own first down at the football game Saturday, head first out of the bleachers... rumors and speculations are running rampant on the name of the Dept. Store to be in the new Savings and Loan Plaza, we heard it's a national organization.

FORGET YOU NOT: The rummage sale held by the Rainbow Girls in the State Bank building on the 16th and 17th. (Thank you, Wilma, for the letter, and Happy Birthday Nov. 9 to all the Rainbow Girls, past and present.)

THE LAST DROP: They may make beer in the Land of Sky Blue Waters, but how do you like our Sky High water? Ralph Gresens and Joe Patrovsky figure the ducks they have bagged this hunting season (two) will put them in good standing with the Conservation Dept. ... wonder what Carl Seemann intends to corral in that stockade fence he put up behind his place of business.

DID YOU HEAR: about the Falcon who cracked up when he met a Thunderbird? That's the way.

Annie Mae

More Cars In 1962

Springfield, Ill., Oct. 22—Motor vehicle registration at the three-quarter mark of 1962 is 125,000 greater than at the same time last year and

Hattie Johns voted for Doakes because she liked his wavy hair, and he talked so nice at that rally. He promised to see to it that all sorts of improvements, were installed in the community, too, at no cost to the local taxpayers—it would all come out of state and federal funds. That's what she likes—a man who gets things done for nothing.

Her neighbor voted for Botts and Doakes both, but she doesn't know it. She didn't have any idea who was running for office, but somebody called and offered to give her a ride to the polls, and it was such a nice day for a ride, so she went and picked out the names she liked the looks of on the ballot. She couldn't remember who she voted for.

John Jones voted for Botts because he lives next door to him. He doesn't like him, but he figured if Botts was elected committeeman he might get the street in front of their houses fixed.

Trouble with analyzing political returns, there's as many answers as there are people.

Hampstead House Nursing Home News

On Sept. 30, through Oct. 3, Mrs. Elizabeth Butero, Administrator of Hampstead House Nursing Home, attended the Annual Institute for Nursing Home Administrators.

The seminar was held at Allerton House, Monticello, Ill. Mr. Robert Cunningham of the Department of Public Health, Springfield, reported that 108 Administrators throughout the state attended this year's session, the largest number ever to attend.

Mrs. Butero will be starting classes in November at the Institute of Medicine, Chicago. This will be a special course in Nursing Home Administration, sponsored by the Illinois Nursing Home Association and Illinois Department of Public Health, under contract with the Dept. of Continuation of Education, Columbia University.

On Sept. 2, Dr. Laurich of Lake Villa, Mrs. Pearl Alexander, Certified Physiotherapist, (associated with the Easter Seal Organization) and Mrs. L. Neuman, R. N., Director of Nursing Service at Hampstead House, met at the Nursing Home to discuss and evaluate the physical therapy program for the patients.

On alternating weeks Mrs. Alexander and the Occupational Therapist will visit the Home, working with the staff and patients.

In November the Volunteers in collaboration with Mrs. Butero will be sending out their first edition of a free monthly news letter. This project was started because of the interest in the patients and the Home from many organized groups, agencies and individual people. Copies can be obtained upon request without charge by writing to Mrs. Dolores Miller, c/o Hampstead House, Route 1, Box 45, Lake Villa, Ill., JU 7-6821 or 7-6791.

At the request of the Women's Baptist Mission Society of the Lakeland Baptist Church, Mrs. D. Miller and Mrs. S. Waugh, Director and Assistant Director of Hampstead House Volunteers, met with the ladies and acquainted them with the duties and activities of the volunteers. They readily offered their services to help.

The Girl Scouts of Woodland School have also volunteered their services to make table and tray favors and decorate for Thanksgiving and Christmas.

The past four Sunday evenings church services have been held at 6:30 by Rev. Reed of Venetian Village Community Church, Rev. Bergerson of Fox Lake Baptist Church, Father Fish of Holy Family Episcopal Church, and Rev. Hagerty of Ingleside Methodist Church. Four more are scheduled for the following month.

Two of our oldest residents of the Home have passed away. Mrs. Bertha Farr, admitted April 20, 1958 died Aug. 22, 1962, and Mrs. Margaret Armour, admitted Sept. 30, 1962.

On advice of the State and National Departments of Public Health all patients of the home had their first shot of a series of two for Asiatic flu.

TEN AND ELEVEN-YEAR old winners of the Punt, Pass & Kick Contest sponsored by Lyons-Ryan Ford dealers last Saturday. Rick Nelson, Jim Haley, Jim Polley, Dennis Rackow, Jim Kapriva and William Genser.

U of I Professors Receive Awards

The American Recreation Society has honored Prof. Allen V. Sapora, University of Illinois, College of Physical Education, for distinguished service in the profession and the recreation movement. The award was made in Philadelphia at the National Recreation Congress.

Prof. Sapora, one of five national leaders to receive this recognition, was cited for outstanding work as a teacher, for his writings, and for pioneering work in research.

Prof. Samuel A. Kirk, director of the Institute for Research on Exceptional Children, has been appointed Lifetime Honorary Vice-president of the British Association of Special Schools.

He is the first recipient of this award made during the association's biennial meeting in Birmingham, England.

Prof. Bernard Hewitt, University of Illinois department of speech and theatre, has received the senior award of the American Educational Theatre Association and a \$1,000 prize for "distinguished service to the American Theatre" at the organization's annual convention at Eugene, Oregon.

Prof. Nathan M. Newmark, head, department of civil engineering, University of Illinois, has received the Theodore von Karman Medal of the American Society of Civil Engineers.

The medal is presented "in recognition of distinguished achievement in engineering mechanics and especially in structural dynamics."

EXCESS BAGGAGE

Habitually loading your car with "excess-ories" can be a dangerous practice. The Institute for Safer Living says that toys, tools, bundles and other loose objects left in the family car from one trip to the next may produce needless injury. In the event of a sudden stop or an accidental impact, these articles may fly through the air and strike occupants with damaging force.

EXAMINING the fine lace on one of the dresses to be modeled at the show are Mrs. A. Smith, Mrs. Jesse Wilbur and Mrs. M. J. Harman.

Garden Notes For Fall

Mulching will save some perennial flowering plants from winter killing and will prevent injury to most perennials according to Lee Smith, Kenosha County Horticultural agent. The use of straw, marsh hay, dry leaves, corn stalks or evergreens are the most common mulches.

The value of the mulch is in the prevention of alternate freezing and thawing which comes in late winter and early spring. This action would damage the roots and the crown of the plant. Smith said mulches that are applied after the ground is frozen are less likely to attract rodents. The mulch is removed in the spring after the soil has thawed out, but before plant growth begins.

A two or three inch mulch is sufficient protection for the hardy herbaceous perennials and spring flowering bulbs.

Some plants keep their leaves green over winter, such as: Foxgloves, Canterbury Bells, and Oriental poppies. A direct mulch over these may smother them. A berry box or evergreen branches, placed over these plants and then mulched will prevent smothering.

After a killing frost, a mound of soil about eight to twelve inches high is placed around the center of the chrysanthemum plants. When the soil freezes, the stems are cut off about 12 inches above the soil and a mulch is applied.

Soil is also used to protect the hybrid tea roses and after this soil freezes, the mulch can be applied.

Hybrid perennials, polyanthias and floribundas are handled somewhat the same as the hybrid teas. They are harder than the hybrid teas. The canes of the hybrid perennials can be wrapped with burlap or heavy paper to protect them from the sun and winds.

Hardy climbers should be taken down from the trellis. The canes are tied together, and laid on the ground, pegged, then covered lightly with soil. Be careful to get the base of the plant well protected.

Smith recommended that tree roses be protected by pulling them over on one side and covering with soil. This is done by digging under the roots on one side until the plant can be pulled over without completely breaking all root connections with the soil. Then the entire plant is covered with several inches of soil.

Bulletins on roses and chrysanthemums are available at the County Extension Office, Kenosha, Room 104, in the Courthouse.

Atomic Power Plant Output Increased

Commonwealth Edison Company's Dresden Nuclear Power Station has become the first atomic power plant in the country to generate two billion kilowatt-hours of electricity, J. Harris Ward, chairman and president of the utility, announced today.

Dresden, which was designed and built by General Electric Company, reached the two billion mark two and a half years after it produced its first electricity in April, 1960.

The net output of the plant, after allowing for use of power by the station, is about 1.9 billion kilowatt-hours. This is enough electricity to meet the needs of more than one-half million homes for a year.

Originally designed to produce at a net capability of 180,000 kilowatts, the plant recently operated above 200,000 kilowatts under an authorization of the Atomic Energy Commission which permitted an increase in the heat output of the Dresden dual-cycle boiling water reactor.

Commonwealth plans to shut down the Dresden plant in November for 10 weeks for a fuel reloading operation. At that time approximately two-fifths of the reactor's 57 tons of uranium dioxide fuel will be replaced with fresh fuel.

Children should respect their elders, especially when elders are driving cars and children are riding bicycles. According to the Institute for Safer Living of the American Mutual Liability Insurance Company, young bicyclists should be trained in defensive riding rather than to expect motorists to look out for them. Your child can be a defensive cyclist by observing these practices: Ride on right hand side of street; ride well to side of normal traffic lane; ride in a straight line, do not weave into street; ride in single file, and never with a passenger on handle bars; stop, look, listen before making left turn across street or at intersection; use proper hand signal when making a turn.

Some 47,000 families in Israel, representing 10% of the population, are helped by CARE Food Crusade packages. Deliveries reach both Jewish refugees, arriving as new immigrants, and members of Arab and other minority groups.

A typical \$1 CARE Food Crusade package, for a needy family in Colombia, contains 10 lbs. corn meal, 5 lbs. macaroni, 1 lb. margarine, 9 lbs. powdered milk (makes 36 qts.) Colombia is one of 17 countries whose people are helped by dollars sent to the CARE Food Crusade, 1 S. State St., Chicago 3.

Stop Raids on Motor Fuel Tax Fund, Says Motor Club

The Board of Directors of the Chicago Motor Club has unanimously adopted a resolution urging Illinois legislators to defeat any attempt at diversion of highway user tax fund money to be proposed before the special legislative session scheduled for November.

The motor club resolution urged legislators to oppose any diversion of gas tax revenue to non-highway purposes for four major reasons: 1. The Motor Fuel Tax Fund is in effect a Trust Fund, consisting of revenue collected from motor vehicle owners and operators under existing statutes expressly pledging that such revenue shall be expended solely for highway purposes, such as construction, reconstruction and administration of roads and related facilities.

2. Transfer of \$34 million from the Motor Fuel Tax Fund authorized by the 1961 session of the General Assembly already has impaired governmental subdivision's ability to provide essential transportation facilities and maximum highway safety. Federal legislative policy, under the Hayden-Cartwright Act, conditions Federal contributions to a state highway program on the premise that all state highway user tax revenue be used solely for highway purposes.

J. J. Kavanagh, president of the Chicago Motor Club said:

"It is unfair to single out the motorist as a special class of citizen to support the General Revenue Fund. The motorist, as a citizen, pays all taxes levied for general fund purposes, the same as every other citizen. In addition, motorist pays, as a motorist, Federal excise tax, Federal gasoline tax, state and city motor vehicle registration taxes, and a state gasoline tax."

"On gasoline alone, taxes already account for 40 per cent of the cost of each gallon purchased by the motorist."

"It is essential to remember that once the door of diversion is opened, there would be no end to the raids on highway funds. This could only result in constantly increasing gas taxes to pay

for our vital and growing highway needs."

He stressed that Illinois cannot risk the high cost of inadequate highways. He cited statistics which conservatively show that when the 41,000-mile Interstate System is completed in 1972 it will save the nation at least 6,000 lives a year including more than 400 annually in Illinois.

Kavanagh added: "Keep in mind that road programs do not take away any tax money paid for other vital state needs, such as schools, hospitals, and welfare. These are supported by general taxation like the sales tax. Road building and maintenance are supported entirely from Federal and state taxes on automotive operation."

"To ask that highway user tax money be diverted to support the General Revenue Fund would be to break faith with every motorist in Illinois. Motorists have every right to see that their highway user tax money is used for what the law intended—exclusively for the construction and maintenance of highways, in order to provide safer and more economical motoring for all."

RUSH HOUR TRAFFIC

Making a living wage hardly seems worthwhile if you must risk your life by speeding to and from work. The Institute for Safer Living advises that morning and evening rush hours on many highways are the worst times of the day for accidents. Some accidents are caused by motorists who start to work too late, yet rush to get there on time; others are caused by drivers who become impatient to reach home and take chances in heavy after-work traffic.

Haiti is the "poorest fed" of 76 foreign nations covered in a recent U. S. Survey.

Donations of \$1 per package to the CARE Food Crusade, 1 S. State St., Chicago 3, help provide a daily cooked lunch for 60,000 underfed school children on the little island.

Water Rates.....

(continued from page 1) Co., informing him that that company had bought \$120,000 worth of the Antioch Sewer & Water Bonds.

Application was made for a building permit for a 34 room apartment house to be constructed on Park Avenue. The request was tabled pending investigation, as the lot seemed too small to accommodate a building of that size and comply with the village ordinance.

Kennedy, of the Kennedy Construction Co., requested permission to purchase property on Anita Ave. from the village. He proposed to construct a \$75,000 office building on it for the headquarters of the Kennedy Construction Co. The property is the location of the village well. The board took the matter under consideration.

Mayor Cunningham presented to the board plans for two model homes he proposes to construct in his new Village Green subdivision. The homes are two-bedroom and three-bedroom models, with basements.

SAFETY ON THE EXPRESSWAY

Dim unto others as you would have them dim unto you. The Institute for Safer Living says that many motorists tend to grow lax about using their low beam lights when traveling at night on expressways. This practice is still essential to night driving safety, even when a wide center strip separates you from oncoming traffic. Glaring headlights cause accidents.

Callahan - Keegan Wedding Ceremony at St. Peter's Church

Miss Patricia Callahan and Mr. James Keegan were united in marriage at St. Peter's Church in Antioch on October 13 at 3 p.m. with the Rev. Father Hanley officiating. It was a double ring service.

The bride is the daughter of Mrs. Winifred Casperson of Deep Lake Road, Antioch. The groom is the son of Mr. and Mrs. Edward Crawford of Little Lake Road, Antioch.

The bride was given away by her brother, James Callahan. She wore a gown of white Chantilly lace with a pearl-embellished neckline and 13 roses forming a bustle in the back. Her short veil was caught by a crown of drop pearls. She carried white cabbage roses intermixed with green vines.

The matron of honor was Mrs. Rosella Walker, a cousin of the bride. Bridesmaids were the Misses Sherry Davis and Nancy Brockway, with Miss Patty Crawford as junior bridesmaid and Debbie Broecker as flower girl. The bride's attendants all wore gold sheaths with overskirts and carried brown baskets with mums in fall colors and oak leaves.

Best man was Edwin Kuhn, brother of the groom. Ush-

ers were Peter Watts and Roy Hartman. Ring bearer was Lavold Crawford.

A reception for 350 guests was held at the United Steel workers Hall, after which the bride and groom left on a honeymoon trip to Nassau, the Bahamas. They are at home at Loon Drive, Antioch.

The bride works at Quaker Industries in Antioch. The groom works at Ace Hardware in Antioch. Both were members of the Class of 1960 at Antioch High.

Announce Engagement

Mary Louise Anderson

Mr. and Mrs. Gorman Anderson of Lake Villa are announcing the engagement of their daughter, Mary Louise, to Charles Lehmann, son of Mr. and Mrs. Gerhardt Lehmann of Round Lake. No date has been set for the wedding.

New Districts Of Methodists

CHICAGO, Oct. 31—Reorganization of district boundaries of the Methodist Rock River Conference was announced today by Chicago Area Bishop Charles W. Brashares.

The change from five to seven districts, with a maximum of 60 churches in a district, is the first change since World War I.

Appointment of the two additional district superintendents will not be made until the annual conference in June, Bishop Brashares stated.

The area includes Northern Illinois from Wisconsin to south of Joliet and Princeton, and from Lake Michigan and Indiana to the Mississippi river. Its nearly 400 Methodist churches have 185,000 members.

Chicago will remain headquarters for the three Chicago districts, Rockford for the Rockford District and DeKalb for the new DeKalb district.

Two new headquarters will be established at Aurora for the new Aurora district and at Elgin for the new Elgin district.

Women's GOP Club Meets

A meeting of directors of the 12th Congressional District Women's Republican Club will be held at 1 p.m., Nov. 12, at the home of Mrs. Walter C. Hamann, 511 S. Beverly Place, Lake Forest. Post election plans will be discussed.

Members of the club received the first issue of the Poli-Ticker, the club's quarterly bulletin, during October. Messages from Senator Everett M. Dirksen and Congressman Robert McClory headlined this autumn edition. A discussion of the blue ballot, greetings from Mrs. Raymond Craig, president of the club, and numerous articles on local activities in this congressional district were included.

Mrs. Richard Seyfarth, 434 Harden, Antioch, is a member of the by-laws committee, and Mrs. W. C. Petty is Area Director.

Mr. and Mrs. James Keegan

"Where The Boys Are—"

News of Servicemen

GRAFENWOHR, Germany (AHTNC)—Army Pvt. Lonnie C. Christensen, son of Mr. and Mrs. Otto L. Christensen, Route 2, Antioch, recently completed eight weeks of intensive field training with other members of the 4th Armored Division at the Seventh Army Training Area in Grafenwohr, Germany.

The training included day and night tactical exercises emphasizing mobility and chemical, biological and radiological warfare. An essential part of the training is range firing of individual and crew-served weapons including the Army's new M-60 machinegun and the 105 and 120-millimeter tank guns.

The 4th, a major element of NATO forces in Europe, plays an essential role in maintaining world peace. Christensen, a driver in the division's Headquarters Company in Goppingen, Germany, entered the army in January 1962 and arrived overseas the following July. He received basic combat training at Fort Leonard Wood, Mo.

The 23-year-old soldier was graduated from Antioch High School in 1957 and was employed by the Illinois Bell Telephone Company before entering the Army.

Pfc. Richard Kapell

Richard Kapell, stationed with the 382 M. P. Bn. in Zweibrücken, Germany, was promoted to Private First Class recently.

Dick has been in Germany since early in June of this year. He was joined by his wife, the former Gini Halvorsen, in August. They both find Germany beautiful and the people friendly and hospitable. They'd like to hear from some of their Antioch friends, so here's the address:

P.F.C. Richard Kapell, Rt. 16724310, 382 M.P. Bn. A.P.O. 872, New York, N.Y.

MAYPORT, Fla. (FHTNC)—Edward J. Kuhlman, electronic technician third class, U.S. son of Mr. and Mrs. Edward C. Kuhlman of Route 2, Antioch, is serving aboard the destroyer USS William C. Lawe, which returned to Mayport, Fla., recently after spending seven months in the Mediterranean.

While in the Middle East, the Lawe operated as a unit of the Sixth Fleet's fast destroyer striking force. She was awarded the battle efficiency "E" designation for

being the most outstanding ship in Destroyer Squadron 16, composed of eight destroyers.

SAN DIEGO, Calif. (FHTNC)—Marine Private Larry H. Hildinger, son of Mr. and Mrs. Carl H. Hildinger of Lindenhurst, completed recruit training Oct. 18, at the Marine Corps Recruit Depot, San Diego, Calif.

The indoctrination to Marine Corps life includes instruction in basic military law, discipline, physical conditioning and other military subjects.

Three weeks are spent on the rifle range, where recruits fire the M-14 rifle and receive instruction on other infantry weapons.

GREAT LAKES, Ill. (FHTNC)—Robert P. Barnstable, son of Mr. and Mrs. Louis Barnstable of Route 5, Antioch, is undergoing nine weeks of basic recruit training at the Naval Training Center, Great Lakes.

The indoctrination to Navy life consists of physical fitness drills, military drills, basic military law, customs and etiquette of the naval service, swimming and survival, first aid and basic shipboard routine.

During the training, recruits receive tests and interviews which determine future training and assignments in the Navy.

JAMES CONNALLY AFB, Texas—Brian A. Palenske of Antioch has been promoted to airman second class in the United States Air Force.

Airman Palenske, son of Mr. and Mrs. Arthur Palenske of Rt. 3, Antioch, is assigned to the 3565th Air Base Group here as a vehicle operator.

The airman is a graduate of Antioch High School.

MEMPHIS, Tenn. (FHTNC)—Marine Private First Class Charley D. Fox, son of Mr.

THE ANTIOCH NEWS & THURSDAY, NOVEMBER 6, 1963

New Column This Week: Gramp Said

A column which will appear regularly in the Antioch News from now on makes its first appearance this week. The column, titled "My Grandfather Used to Say," is written by Rev. Edmond Hood of the Church of St. Ignace of Antioch.

We think the column will at times amuse and delight you, sometimes make you think, and perhaps sometimes bring a memory of some of your own elder relatives.

The column is gleaned by Fr. Hood from his grandfather's ledgers. During his lifetime, Edmond George Coon, of Rantoul and Champagne, entered thousands of small bits of wisdom, wit and salty quotations in a diary he kept. He died in 1891.

When his wife died in 1949, the books descended to her grandson, Fr. Hood.

Many of the quotations have to do with religion. This is perhaps the influence of Billy Sunday, Homer Rhodes and the Rev. E. Stanley Jones, all family friends.

"It is my hope," says Fr. Hood, "that in sharing the contents of these ledgers with the readers of the Antioch News, that you will be delighted, amused, insulted and captivated, as I have been so many times in reading their contents."

and Mrs. Freeman E. Fox of Route 2, Antioch, was graduated Sept. 28, from Aviation Familiarization School at the Naval Air Technical Training Center, Memphis, Tenn.

The two-week course covers flight theory, aircraft handling, survival practices and fire-fighting.

USS BASHAW (FHTNC)—Navy Ensign Bert L. Peck, son of Mr. and Mrs. Alfred Peck of Route 3, Antioch, is serving aboard the submarine USS Bashaw, which carries a crew of nearly 100 enlisted men and officers.

Meetings & Events

RETURN FROM European Tour

Mr. and Mrs. David Fitzgerald of Rt. 5, Antioch, have just returned from a tour of Europe.

The Fitzgeralds went by ship, both ways, and traveled through Holland, Germany, Italy and France by bus. They were with a tour arranged by the National Association of Retired Teachers.

They were in Rome during the Ecumenical Council, but missed the colorful procession by one day. Their trip by bus through the Alps was a bit frightening. The curves on the winding mountain road were too sharp for the bus to negotiate without backing up and working around the corners.

Europe as a whole they found beautiful and pleasurable.

WOMEN OF THE MOOSE DECORATING CONTEST

With Christmas sneaking up on us again the men and women of the Moose Lodge have begun making plans for the home decorating contest this year.

All persons outside of the Antioch area wishing their home entered in the contest must send a card to the Loyal Order of Moose in care of Ed Peterson or the Women of the Moose in care of Janet Maleski, 864 Main St., Antioch.

Prizes will be displayed in the window of the Antioch News office.

OAKLAND PTA—

The Oakland Grade School PTA met November 5 at 8 p.m. with approximately 83 persons in attendance. Mr. Rose's 6th grade won room count.

A short business meeting was held during which it was voted to sponsor the Girl Scout Troop for another year. Plans were announced for the December pot luck and program to be held Dec. 17. A reminder that the membership drive is on and that a 100% membership is desired.

After the business meeting

Dr. Kopriva of the Antioch Clinic gave a very interesting and informative talk on the health and well-being of the child at school.

The sixth grade room mothers served a delicious lunch.

REVIVAL MEETINGS AT LINDENHURST

Revival meetings, conducted by the Rev. Joe Baker, of the First Baptist Church, will be held November 11 through 18 at the Lindenhurst Civic Center.

Services will start at 7:30 p.m. each evening except Saturday night.

The public is invited to attend the meetings. The Baptist church of Lindenhurst

has about 41 regular members.

CELEBRATE 22ND ANNIVERSARY

Mr. and Mrs. Thomas Moran celebrated their 22nd wedding anniversary at their home on November 4th. Their daughter, Peggy, and her friend, Sue Miller, hosted a dinner for the couple, attended by family and friends.

Their son, Thomas, and his wife, Sharon, were unable to be present. Thomas, an airman 2nd class, is stationed in Tully, Greenland. His wife is with her parents in Cooperstown, North Dakota, awaiting the birth of their child.

Campus News

Sherry Davis, daughter of Mr. and Mrs. L. L. Davis, Rt. 5, Box 287, Antioch, is one of 400 students enrolled for the fall semester at Kendall College, Evanston, Ill.

The two-year liberal arts college, in the midst of a 10-year, 5,000,000 expansion program, expects to have ready for use next fall a new classroom building, a new residence hall and refectory, and an all-purpose auditorium.

Lake Villa News

By Mrs. Fred Bartlett
Lake Villa 356-5372
(November 8)

LAKE VILLA—The Intermediate Methodist Youth Fellowship Group of the Lake Villa Methodist Church will meet at the church Friday, Nov. 9, from 7 till 9 p.m.

It is under the direction of Mrs. Robert Schick. It is open to all seventh and eighth graders. They will plan and work on hobbies, go bowling and have other forms of entertainment.

The Naomi Circle of the Lake Villa Methodist Church will hold their next meeting on Monday, November 12th, at 8 p.m. at the home of Mrs. Herbert Fox.

Mr. and Mrs. Ed Sherry left for a vacation in Florida.

Mrs. Elenore Brindize returned home Sunday after staying a week with her daughter, Mrs. Frank Shea, of Venetian Village, while Mr. Frank Shea was a patient at St. Therese hospital in Waukegan.

Mary Kay Jarvis returned to her duties at St. Therese hospital after spending the weekend with her parents, Mr. and Mrs. Henry Jarvis.

Mrs. Pete Meegan and children of Chicago spent the weekend with her parents, Mr. and Mrs. Pete Velkovich.

Mary Kay Jarvis was a dinner guest Sunday at the home of Mr. and Mrs. Don Gable of Antioch.

Theresa Velkovich returned to Marquette college at Milwaukee, Wis., after spending the weekend with her parents, Mr. and Mrs. Pete Velkovich.

The Lake Villa Firemen entertained all the Festival workers Lake Villa Days at a buffet dinner Friday night at the Lake Villa Fire Station. Dancing was enjoyed by all. About one hundred were present.

Mr. and Mrs. Wayne Sword and family of Waukegan were visitors Sunday at the home of Mrs. Elenore Brindize.

Miss Kathleen Kelly was honored at a surprise birthday Sunday in observance of her nineteenth birthday. It was given by Miss Roselle Hucker of Fox Lake. Kathleen received many beautiful gifts.

Arthur Kreisten returned home Sunday after being a patient at the St. Therese hospital for two weeks.

Mrs. Ray Panzer of Lindenhurst, Mrs. Raymond Rathmann and Mrs. Fred Bartlett, Sr., attended the 10th District board meeting at Lake Zurich last Monday.

Thirty-five relatives from Waukegan and Winthrop Harbor gathered at the home of Mr. and Mrs. Robert Kelly Sunday for a party given for their daughter, Mary, who made her first communion.

Mrs. Walter Paske will entertain the officers of the Royal Neighbors at her home on Nov. 14. A dessert luncheon will be served at 12:30 noon. Co-hostess will be Anna Velkovic.

Suzann Bartlett, daughter of Mr. and Mrs. Clifford Bartlett, was ill a few days last week. She was able to return to her classes at school Friday.

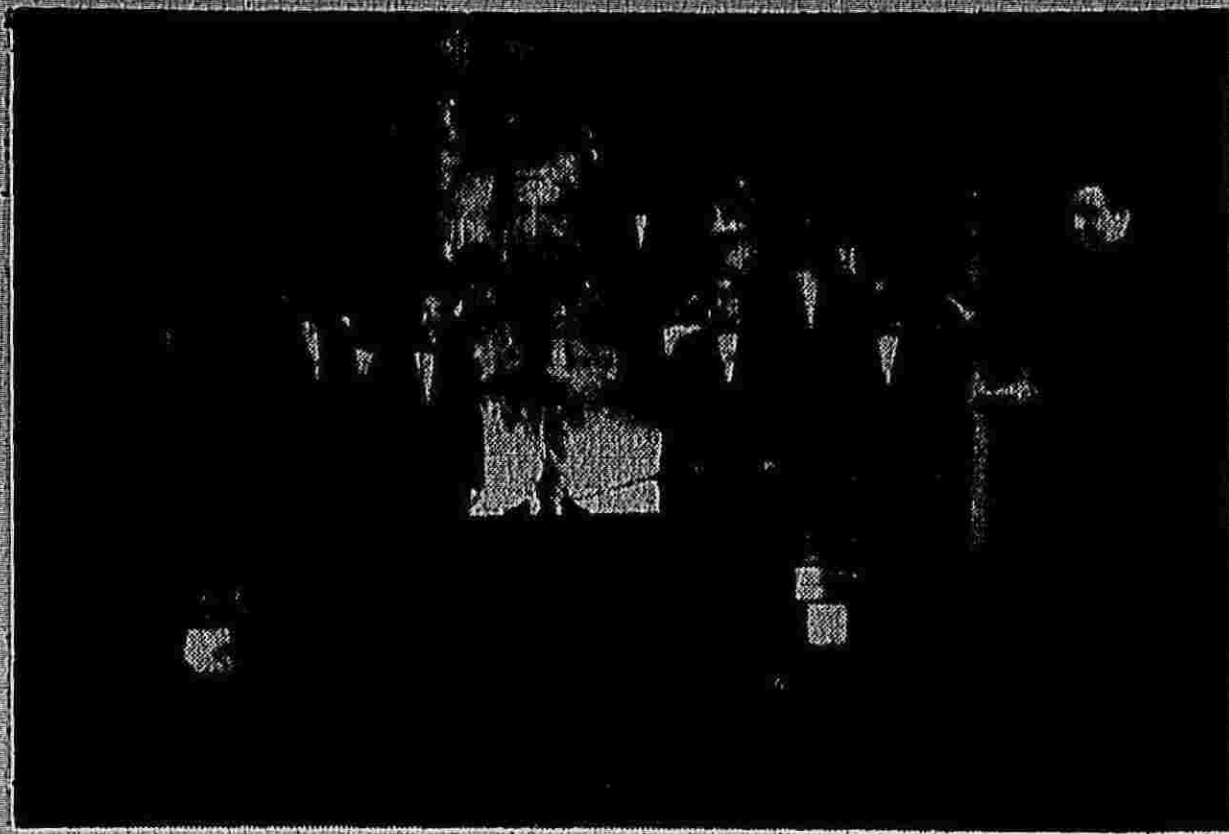

Raymond Rathman, Jr., son of Mr. and Mrs. Raymond Rathman of Deep Lake, left Monday to enter boot training at Great Lakes Naval Station. (Written for November 1)

The Masters and Maties of the Lake Villa Methodist church will hold a treasure hunt on November 17, starting at 8 p.m. at the church. Mr. and Mrs. John Chmelir and Mr. and Mrs. Robert Rolin are in charge of the plans.

Mr. and Mrs. Frank Slazes, Sr., are receiving congratulations on the arrival of a granddaughter, born Saturday, Oct. 20, to Mr. and Mrs. James McGrain of Waukegan.

Neil Reidel left Monday for his new job at Elkhart, Ind. His family will remain here for the time being. Arthur Kreisten has been a patient at the St. Therese hospital for the past week.

THE SPURR-LOWS, who will perform at the Lake Villa auditorium November 10.

Sacred Song Concert Slated

This Saturday, Nov. 17, at 7 p.m., the "Spurr-Lows," a twenty-voice youth ensemble will be presenting a "Splendor of Sacred Song" Concert in the Lake Villa School Auditorium with over 20 area churches cooperating in this event.

This two-hour concert, consisting of the finest musical arrangements, talent, production techniques and public performance, will be directed by Mr. Thurlow Spurr, president of Splendor Productions, Inc. Mr. Spurr has directed some of the largest choirs of young people ever to assemble, and is recording artist with WORD recorders. These young people have just graduated from high school and are the top talent winners in Youth for Christ Rallies across the country. They have given a semester of their time to this ministry in music. The group has performed before capacity crowds in more than 100 different cities and before more than 60 high school assemblies.

Everyone is invited to the concert with young people especially encouraged to attend. Admission is free, but an offering will be received. The "Spurr-Lows" will also be performing on Sunday at the 9:30 and 11 a.m. services at the Grace Community Church which meets in the Venetian Village Civic Hall. The minister of the church, the Rev. Dwight Reed, made the arrangements with this group for these concerts in this area. For additional information, call El. 6-8352.

DEATH NOTICES

WILLIAM C. THEIMANN

William C. (Willie) Theimann, 70 years old, passed away Wednesday, Oct. 31, at 3 p.m. at the Downey Veterans Administration Hospital, where he had been a patient for the past five years.

Born July 3, 1892 in Fitzburg, Wis., he resided in Madison, Wis., until moving to Antioch.

He was a member of the Antioch American Legion Post 748, veteran of World War I where he served in the 131st Infantry.

He formerly worked for an ice company in Madison, and the Crandall Ice Company in Antioch.

He was a retired employee of the Street Department for the Village of Antioch.

He was preceded in death by his wife, Jane, in 1950.

He is survived by one stepson, Clayton O'Haver; also by two sisters, Mrs. Alvi Niebruh and Mrs. Minnie Truett, both of Madison, Wis. He is also survived by several nieces and nephews.

Funeral services were at 1:30 p.m. Saturday from the Strang Funeral Home.

JOHN H. FABER

John H. Faber, of Silver Lake, Wis., died Saturday, November 3, at 9 p.m. at his home on County Trunk F.

He had been ill since August. He was born March 2, 1895, in Sherburn, Minnesota. He moved to Silver Lake at the age of 10, where he resided since that time.

He married Ethelyn Smith on April 15, 1924. He had worked as a caretaker on private estates in the Silver Lake area.

He is survived by his wife, Ethelyn; one stepson, James Schultz of Trevor; one brother, Hessel Faber of Riviera Beach, Florida; and six grandchildren.

The funeral was held at 2 p.m. Tuesday from the Strang Funeral Home in Antioch with the Reverend Donald Cobb of the Antioch Metho-

dist Church officiating. Burial was in Salem Mound Cemetery at Silver Lake.

ROBERT C. VALENTINE

Robert Carl Valentine, 85, of Deep Lake Road, Lake Villa, died Sunday, Nov. 4, in Victory Memorial Hospital after a brief illness.

He was a pioneer moving picture exhibitor in the Logan Square area of Chicago, where he owned and operated a theatre for more than 25 years.

Mr. Valentine was born in a suburb of Berlin, Germany, March 10, 1877. He moved to Chicago with his parents when he was five years old. He had lived in the Deep Lake area for more than 40 years.

He was preceded in death by his wife, Elizabeth, who died in 1943.

Survivors are a son, Earl F. of Grayslake; two sisters, Mrs. William (Gertrude) Lyman of St. Petersburg, Fla., and Mrs. Pauline Souders of Pensacola, Fla.; also by two grandchildren and four great-grandchildren.

Services were held at 10 a.m. Tuesday in the Strang Funeral Home, Antioch, with Pastor John H. Freed of the Lakes Lutheran Church, Grayslake, officiating. Burial was private.

Friends were asked to give donations to the American Cancer Society in lieu of flowers.

WILLIAM WIPPER

William Wipper, 91 years old, formerly a resident of Gurnee, Ill., died Saturday, Nov. 3, at Stillwater, Minn., after a short illness.

He resided at Libertyville from 1939 to 1952 and Wilson, which is near Gurnee, for 8 years.

He was a member of the Mizpah Lodge No. 191 A.F. & A.M. at South St. Paul, Minn.; also a retired carpenter for Great Northern Railroad.

He was preceded in death by his wife, Elizabeth and a daughter, Mrs. Mabel Goggin.

Survivors are one daughter, Mrs. William (Emily) Schaeffer, Hot Springs, Ark.; two brothers, Charles Wipper, Minneapolis, Minn., and Louis Wipper of Castle Rock, Washington.

Funeral services will be held at 1:30 p.m., today (Thursday) at the Strang Funeral Home with Sequoia Masonic Lodge No. 827 A.F. & A.M. of Antioch officiating.

Friends may call after 3 p.m. Wednesday. Interment will be in Hillside Cemetery, in Antioch.

MOOSE TOPICS

Mrs. Harold Young received her green cap Sunday, Oct. 28 and was recapped by the collegiates in a recapping ceremony on Thursday, Nov. 1, at 8 o'clock at the Moose Home. Upon the finish of the recapping ceremony, Mrs. B. Roth was led to the altar to introduce the members of the Library Committee who were in charge of the Chapter night program.

Mrs. B. Roth then introduced Penny Konvalinko, a vocalist, who sang a few selections and then the Chapter was asked to join her on a few old favorites.

Elsie Bieha and Marie Benesh were enrolled into the Auxiliary. The meeting was closed by Senior Regent Mrs. Seth Mark with 40 members present. A bake walk was held and enjoyed by all and refreshments were served.

Ritual practice will be at 8 p.m. Thursday, Nov. 3, at the Moose Home. Green Cap night will be at 8 o'clock Nov. 15, at Wesley Hall.

Lindenhurst News

By Mrs. Bernice Bernau

Halloween Parade
The Lindenhurst Men's Club sponsored the Halloween Parade Monday evening. The judges were Thor Neumann, Lyle Mercer, Jimmy Streicher and Bernice Bernau. Winners were Judy Kleffner, Dale Nadelhoffer, Debbie Hartokolis, Gary Thompson, Sheila Ehite, David Hartwig, Kathy Hartwig, Jim Jakob, Susan Burzynski and Neil Hanson. The grand prize winners were Debbie Hartokolis, Jim Jakob and Sheila White.

Obituary
Mrs. Erna Korf of Lindenhurst died at St. Therese Hospital early on the morning of Oct. 29, after being taken there Sunday afternoon by the Lake Villa Rescue Squad. Her husband, Fred, died last Dec. 19.

Winners Announced
In the window decorating contest sponsored by the Lindenhurst Business Men, Boy Scout Troop 74 of Greenwood Park received first prize.

Brownie Troop 107 of Lake Villa also received \$10 in the 7 to 9 year age bracket. Boy Scout Troop 84 of Lindenhurst was awarded \$5 for their artistry on window No. 12.

The paintings on Window 13 won \$5 for the Lindenhurst Junior Police.

Dance Club
A group of teenagers are going to meet Friday evening at the home of Bill Kaub, Jr., to organize a dance club for boys and girls of Lindenhurst.

New Babies
Mr. and Mrs. Richard Mauck are the parents of a daughter, Debra Marie, born at St. Therese Hospital Nov. 1. She weighed in at 8 lbs. 4 oz. Mrs. Mauck is the former Patricia DeNardis of Round Lake. They have two other children, Patrick and Cindy.

The grandparents are Mr. and Mrs. DeNardis of Waukegan, and Mr. and Mrs. Frank Mauck of Round Lake.

Mr. and Mrs. Richard Zegan of Sand Lake Road have named their new born son, Paul Anthony. The little fellow weighed 7 pounds 11½ ounces when he was born Oct. 27 at Victory Memorial.

The big sisters are Susan and Margaret.

News of St. Mark's
Mrs. Arlene Swanson is president of the American

Meetings & Events

ORDER OF THE EASTERN STAR

Antioch Chapter 428, Order of the Eastern Star, will hold a state meeting with election of officers at 8 p.m. Thursday, Nov. 8, in the Masonic Temple. There will be a potluck supper at 8:30 p.m. in the dining room. Mr. and Mrs. Harold Kleven are worthy matron and worthy patron.

SPEAKER FOR WESLEY EVENING CIRCLE

The monthly meeting of the Wesley Evening Circle will be Thursday, Nov. 8, at 8 o'clock. The meeting will be at the home of Mrs. Charles Meierdick, 216 7th Avenue, with Mrs. Robert Becvar as co-hostess. The program will be "Learn for Better Living," with Mrs. Oscar Gunderson as speaker. The devotions will be given by Mrs. Robert Bemis.

ORDER OF RAINBOW NEWS

The Antioch Assembly, Order of Rainbow for Girls will hold their regular meeting on Monday, November 12 at 7 p.m. at the Masonic Temple. Lynn Ott, worthy advisor, will preside. The meeting will be formal because of the initiation of Kathy Heath. Carol Wiegert and her mother will be in charge of the refreshments. The girls are reminded to bring their crayons for Lynn's charity project. Also the nylon hose money, and cookie money.

Antioch Friends night was well attended, with the girls attending from Woodstock, Harvard, Wheeling, Lake Forest, Millburn, Grayslake, Chicago No. 3, Jewell, Bensenville, Friendship, and Radiant assemblies. Mrs. Martha Hunter presented Sally Peterson, member of Antioch Assembly, with her 20th majority certificate. Mrs. Jane Bloom and the officers' mother's mother served refreshments.

Antioch Assembly, Order of Rainbow for Girls, is planning a rummage sale at 381 Lake Street on Nov. 16-17. Call 395-0649 for any further information or pick-up of donation.

On Wednesday evening Mrs. Hunter, Mrs. Gibbs, Miss Dowdall, M. A. of Lake Forest and girls from Antioch will attend the official visit of the Grand Worthy Adviser at Florence Nightingale Assembly. On Thursday evening Mrs. Gibbs will accompany the Antioch girls to the official visit at Radiant, Waukegan Assembly.

CARD PARTY TO BE HELD

Saturday, November 10, at 8 p.m. has been selected as the date for the public card party sponsored by the Community Club of the Central High School. It will be held in the all-purpose rooms of the school. All popular games will be played. Lunch will be served. All are invited.

YOUTH

"Forty is the age of youth; fifty is youth of age."—Beecher City Journal.

Lutheran Church Women of St. Mark's Lutheran Church in Lindenhurst. Mrs. Vi Hlavin, secretary; Mrs. Clara Langager, treasurer; educational secretary is Mrs. Helen Nelson. Stewardship secretary is Mrs. Norma Larson.

The newly organized "Mary-Martha" circle met at Mrs. Robert Harry's home in Antioch last Thursday afternoon. The "Miriam" circle met at Mrs. Eric Larson's home last Thursday evening.

Meet Your Neighbors
Herman and Joan Pendleton moved to 2414 Deeppath just a month ago, from Long Beach, Calif. They have three children, David 7½, Holly 2½ and little Jimmy just a year old.

Herman is a Chief in the Navy and is stationed at Great Lakes. Joan originates from Detroit, Mich.

Mrs. Eva Stich, Joan's mother, lives with them. Mr. and Mrs. Earl McCown, also are a Navy family. They moved here about a month ago, after living in Morocco, North Africa for 2½ years. They have been married 17 years and have a daughter Kathy, 16 years old. She is a junior at Grayslake. Kathie has attended 18 schools since she started.

Earl is a Senior Chief in the Navy. He, too, is stationed at Great Lakes and has been in service 15 years.

Grant HI Presents Play Nov. 9 & 10

The Properties committee for the forthcoming play at Grant High school "Time Out for Ginger" has placed an urgent call for a racoon-skin coat. Anyone knowing where the loan of such a garment may be secured are requested to call the high school office.

The cast includes the following characters:

Liz, the maid—Diane Deering; Mother-Agnes—Vickie Bartlett; Sisters—Joan and Jeannie—Toby Gurewitz and Lorrie Bartlett; Ginger—Candice Wilson; Father-Howard—David Smith; Ginger's boyfriend—Bill Costello; Joan's boyfriend—Carl Frost; School Principal—Mr. Wilson—George Dilco; Bank President—Ed Hoffman—Gary Januszewski.

The play will be staged in the Grant Auditorium Nov. 9 and 10 at 8:00 p.m. Tickets are being sold by the junior class.

Don't Drop Driver Training, Advises Insurance Exec.

A sharp increase in the number of youthful drivers involved in Illinois traffic accidents if state-supported driver training is dropped was predicted by the Insurance Information Institute.

W. H. Moloney, chairman of the I.I.I.'s Midwest advisory committee, is objecting to the Illinois Tax Study Commission subcommittee's recommendation that the training program be discontinued.

Mr. Moloney said he agreed with Secretary of State Charles F. Carpenter who earlier declared that the subcommittee's view that driver training is a parental function "has long been rejected by traffic safety experts."

"The youthful driver has the highest accident rate of any age group," Mr. Moloney said. "Studies indicate that

high school-trained drivers have significantly fewer accidents and violations than do untrained drivers."

He pointed out that many insurance companies offer a 10 per cent discount on auto liability and collision insurance rates for graduates of state-approved school courses.

Driver training in Illinois is supported entirely by driver license fees. Schools can receive up to \$40 per student from this fund. Mr. Moloney pointed out that the savings to the public in insurance rates alone was sufficient justification for state-supported driver training.

Babies born in Ecuador have less than a 50-50 chance to live beyond the age of 5, with malnutrition a major cause of death. Through CARE's Food Crusade, \$1 powdered milk packages sent by Americans provide a daily cup of milk for 150,000 undernourished Ecuadorian school children; mothers and infants.

Sequoits Finish Season With Thriller

Line Holds, Thwart Grant Touchdown

The scoreboard clock showed less than two minutes to go. The score was 14 to 13 in favor of Antioch and Grant had the ball on Antioch's 2 yard line with first down and goal to go.

That was the situation Friday night when the Antioch Sequoits put up a valiant goal line stand and eked out a 14 to 13 victory over the Grant Bulldogs.

Three times Rob Rowden carried the ball into the middle of the Sequoit defense and when the pile had cleared for the third time the ball rested just 6 inches short of a touchdown.

On fourth down the Bulldogs moved too quickly and suffered an off-side penalty, putting the ball back on the Antioch 5 yard line.

On the last play of the game, Rowden took the ball from center and fired it into the waiting arms of Les Geist, Antioch defender, who ran it out to the Antioch 42 yard line before being brought down.

Time ran out during the play and the Sequoits left the field with their second win of the year and a thrilling finish to the 1982 season.

The two squads played to a scoreless tie for the first quarter. In the second period Bob Rowden, Brant quarterback, set up the first tally of the game with a 25 yard pass to Joe Savage. The point after touchdown attempt was no good and the score at half time remained Grant 6, Antioch 0.

Midway in the third period quarterback Jim Brownlee got the Sequoits rolling. Starting on their own 28 yard line, Brownlee passed to Geist, good for 15 yards.

Two plays later, finding no one to throw to, Brownlee elected to run and scampered 15 yards before the Grant defense managed to stop him. A 15 yard piling on penalty against Grant moved the ball to the Grant 23 yard line.

Gregg Gates took a hand-off from Brownlee and crashed off tackle for 5 more yards. On the next play, Geist took a pass from Brownlee and went in for the touch-

Standings

FINAL STANDINGS	
VARSITY FOOTBALL	
Lake Forest	7-0
Warren	5-2
Round Lake	4-3
Grayslake	4-3
Wauconda	4-3
ANTIOCH	2-5
Grant	2-5
Ela-Vernon	0-7

down. Gates booted the extra point and for the first time in the game Antioch took the lead, 7-6.

Grant struck back quickly. Taking the kickoff on their own 17 yard line, the Bulldogs marched 83 yards with Savage going in for the TD on a reverse from 2 yards out. James Miller ran for the extra point and the score was 13-7, Grant.

Rick Fowles took the Grant kickoff on the Antioch 17, cut to the sidelines and raced 83 yards for the tying touchdown. Gates again booted the extra point and the Sequoits led 14-13.

The Bulldogs weren't quite finished, however. With 4th down and 15 yards to go on their own 36 yard line, Rowden pitched a 21 yard pass complete to Savage. Four plays later Don Soderdahl passed to Rowden on the Antioch 2 yard line.

At this point the Sequoits dug in and gave up only 6 inches in five plays, capping it off with Geist's interception. Doug Lang, Lon Ipsen, and Ron Van Rooyen, aided by Ray Petersen and John Larsen were praised for their defensive work and especially the final two minutes. The aerial combination of Brownlee to Geist was also a stand-out.

Scouts Are Champs For Fourth Time

The Lake Forest Scouts extended their victory string to 30 consecutive games Saturday and won their fourth straight conference championship by beating Round Lake 33-0.

The win also gave Lake Forest the record for the total number of points scored with 281, 24 more than the 1949 Barrington team.

The Scouts failed to settle on three opportunities in the first quarter but finally managed late in the period when Tim Weigel carried it over from the 11 yard line.

It was easy going from then on as the Scouts added 7 points in the second period, 12 in the third and 7 more in the final stanza.

The Lake Forest defense held the Panthers scoreless and recorded their 4th shut-out of the season.

Krieger to Play For Trinity

Robert Krieger, Jr., son of Mr. and Mrs. Robert Krieger, Sr., Route 5, Box 40, Antioch, will see action as a forward in the opening game of the Trinity College (Chicago) basketball squad Nov. 16.

The Trinity Trojans are a member of the Gateway Intercollegiate Athletic Conference, which consists of 10 colleges in Illinois and Wisconsin.

Bob was one of the stars of Antioch High School's basketball team last year, scoring 181 points for the year. He was tied for second place in the season's scoring for the team. He was also the Sequoit's leading rebounder, and was elected Honorary Captain of the team.

JACK FIELDS, one of the judges of Punt, Pass & Kick, and some of the other contestants watch Carl Turner compete in the kicking phase of the contest.

Prospects Good For Antioch Round Ball For This Season

Seventeen basketball hopefuls reported for the first practice session at the High School gym Saturday afternoon. Between now and the evening of November 16th, Coach Roger Andrews has the rather unenviable job of molding them into a respectable basketball unit.

The two opening contests, McHenry Nov. 16, and Mundelein Nov. 21, will be played at Antioch. The advantage of playing on the home court may be offset, however, by the fact that most teams Andrews and his charges will be facing in the openers have been in practice since Oct. 1.

It will be Rogers' first year as varsity coach for Antioch. He is replacing Larry Leon who accepted a position with Libertyville High School following last season.

"I'll be counting heavily on last year's regulars, Doug Lang, John Hallwas, and Bob Kubicki," Andrews said. "The balance of the lineup will depend on how fast last year's

Sophomore talent come along."

When asked if he planned to use the same style of play as his predecessor, Larry Leon, he replied, "We'll use more of a gambling, fast break type of offense and concentrate on a good, solid defense. It will be similar to Larry's," he said, "but a little more wide open type of ball." In commenting on the conference, Roger said that Lake Forest will be the team to beat. They have practically their whole starting lineup returning and that, together with Spitzer, their 7 foot center, will make them the conference favorite. Spitzer is rated as the tallest high school basketball player in the State.

"Both Wauconda and Warren will be tough this year," Andrews said. "If Mike Freund comes through at Wauconda, they could be a real dark horse," he added. Andrews bases his opinion of Warren on the fact that as

Tuesday, October 30

High team series—Patsy's Lounge, 771-755-667—2193.

Awards Night For Speedway Stars Nov. 10

November 2—The third annual awards night party for modified and sportsmen stock car drivers will be staged Saturday night, Nov. 10, at the Nightingale Ballroom, located on Highways 74 and 145 just northwest of Milwaukee.

The event, sponsored by Midwest Speedways, Inc. and a northern Wisconsin track, will honor drivers from the Waukegan Speedway as well as quarter-mile tracks located at Hales Corners, Cedarburg, State Fair Park, and Slinger, all in Wisconsin.

Scheduled to receive awards is the three time modified champion at Waukegan, Eddie Stillman of Milwaukee. Bob Karry, Waukegan and Lindenhurst, finished his best season at Waukegan with a second place. Last year's champion, Bill Strom of West Allis, finished third at the local plant this year, and will receive an award for that position.

Burgan is Sportsman Champ

Two Zion drivers, Dennis Burgan and Hel Smith are among the top three in the sportsmen division who will receive special trophy awards. Last year's sportsmen champion, Burgan captured the Waukegan Speedway championship, and accumulated enough points in competition there to win the over-all championship for the five tracks combined. In so doing he dethroned Roger Reth of Milwaukee, who placed a close second overall, and Burgan will thereby carry the coveted number 1 on his car next season. Smith finished third behind Gino Wagner of Cudahy, Wis. Each receives a special trophy award at the Awards Presentations.

Features of the Awards Party, to which the public is invited, includes continuous dancing from 8:30 p.m. to 1 a.m.; the appearance of Miss Milwaukee, the awards at 10:15, free refreshments, and free favors to all guests, courtesy of the Miller High Life Company.

NROTC Slates Exams For Candidates

Preparation is being made to select eligible high school seniors and graduates through competitive procedure for enrollment in the Regular Naval Reserve College Aptitude Test, the qualifying examination, will be administered on Dec. 8. Applications to take the test must be received by Science Research Assoc., McHenry, Ill., by Nov. 10.

Candidates selected receive not more than four years of training at one of 552 participating colleges and universities. All educational expenses, including tuition, fees and books are paid for by the Dept. of the Navy in addition to an annual retainer of \$800 to assist in financing living expense.

Upon receipt of baccalaureate degree and completion of Naval Science courses, graduates are appointed in the Regular Navy or Marine Corps.

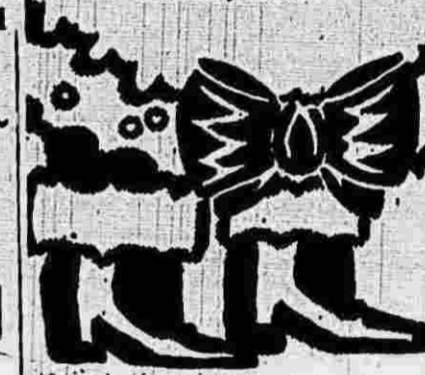

Applicants must be sincerely interested in careers as officers in the Regular Navy or Marine Corps. Graduates receive the same promotional opportunities and duty assignments as their Naval Academy contemporaries.

'63 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.

Archery Club Plans Shoot

Northern Illinois Bowmen are planning their final archery invitational of the year, to be held Nov. 11 in McHenry. This is the club's annual field round Turkey Shoot. As an added attraction for all archers who care to try it, there will be a poker shoot. Trophies and turkeys will be the take home prizes. N.I.B. members are beginning plans for their winter

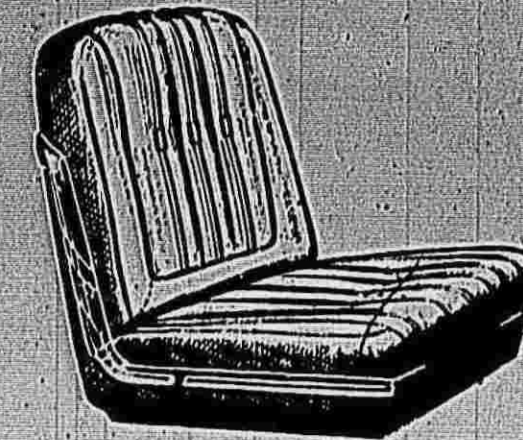

indoor shooting league. There will be teams organized and there will be alternating each week between Chicago Round and Flint Round.

Deer awards were given to John Zawaski and Ray Borghoffler at N.I.B.'s banquet last month. Top club shooters for the year were awarded trophies with Norm Pederson taking first, Ed Wilson, second, and John Zawaski, third. Irene Adams took the trophy for women shooters. The traveling Carp Trophy went this year to

Save enough on a new electric dryer to dry up to 1000 loads free

LIMITED TIME OFFER—SEE YOUR DEALER NOW

Right now—and for a limited time only—Commonwealth Edison and Public Service Company, in cooperation with your dealer, is offering you a chance to save \$20 more than you ever could before on any new 240-volt Flameless Electric Dryer. And this \$20 is on top of the \$20 to \$40 you normally save by buying an Electric Dryer instead of a Gas Dryer. So you can actually save up to \$60, depending on the make and model... or enough to dry 1000 loads free! For the average family this is better than 3 years of free drying. And Flameless Electric

Dryers dry clothes sweeter and cleaner because there are no fumes, flames or products of combustion. Besides which, nothing dries clothes faster than today's Electric Dryers. (Only 26 to 30 minutes for a full load of wash!) Ask your dealer for the \$20 Savings Certificate shown here. Satisfaction guaranteed on any Flameless Electric Dryer, of course.

Scout News

GRASS LAKE

A large bonfire sponsored by the Grass Lake Scout Home Group was the center of interest for many children on Halloween night. This controlled activity gave the little ones plenty of excitement for the evening. It was touched off by Earl Beege, Scoutmaster of Troop 80, assisted by Jim Ferrier, president of the Scout Home Group. Lots of candy was tossed up for grabs and it was a scramble to see who could find the most.

After some song singing by the various scout units, the group left the dying fire and returned to the Scout House for judging of costumes. In the pre-school group Scott

THE ANTIOCH NEWS
THURSDAY, NOVEMBER 8, 1962

Nohova won first place and tiny Irene Nevitt 2nd. Then the six to ten-year-olds paraded for judges and Denise Fowles received a prize for the prettiest costume while Richie McDonald won for the funniest. In the 11 to 14 group winners were Donna Yopp, prettiest, and Susan Payton, funniest. She was an old farmer complete with cornucopia pipe.

Everyone older than 14 with the nerve to come in costume went before the judges and Mrs. Betty Steiskal was deemed nicest as a cowboy, while Mrs. Helen Partlow had everyone fooled as to her identity in a clown outfit which was judged funniest of all. Everyone received apples as they left and a good time was had by all.

Grass Lake Girl Scout troop 201 never sits still for a minute and so they are in the news again. Their leader Mrs. Alice Johnson, took them out horseback riding on Saturday, Nov. 3. The following girls who are members of the Grasshopper Patrol said they had a grand time: Nancy Queen, Toni Lomma, Susan Schaefer, Candy Horn, Marianne Robis and Christine Johnson. Two adults from the stable accompanied the group on their ride.

The October meeting of Cub Scout Pack 92 was held Oct. 25 at 7:30 p.m. Awards were presented as follows: Bobcat—Wayne Soder; Wolf Badge—Bob Malign and Richard Platz; Achievement arrows under the Wolf badge were awarded to Bob Margan and Gregg Benning; Bear Badge—David Jones and Richard Mattis; Achievement arrows under the Bear badge were awarded to David Jones, Tim Green and Richard Mattis; Dinner Stripe was awarded to Paul Gilla; assistant dinner to William Martin; Year pins were given to Ted DeBoer, Robert Avery, William Martin, Brian Sorenson, Edward Simeck, Richard Mattis, James Rockow, and Victor Benning.

Tim Green earned the first Go Round-up Patch by signing Wayne Soder as the first new Cub Scout in the current membership drive.

The October Halloween party committee planned and executed most entertaining party for the later part of the meeting.

The adults' and children's costumes were fun, especially when you consider that we can't have Charlie Weaver at all our pack meetings.

The Halloween committee consisting of Mr. and Mrs. Benning, Mrs. Avery, Mrs. Jones and Mrs. Burnett deserve a round of applause.

The theme of our November meeting is "Pioneering Days."

LAKEVIEW GIRL SCOUT COUNCIL

This week's Christian Science program "What about the view that Christianity is obsolete?" You'll hear the stirring and timely answer that the world has not grown too complex for Christianity to cope with.

Salem Man To Tell 4-H's Of Australia

The Annual 4-H Club achievement meeting will be held Friday night, Nov. 16, starting at 7:30 p.m. in the Farm Bureau Building on the Lake County Fair Grounds, according to an announcement by Lake County Farm and Home Advisers, Ray T. Nicholas and Helen Volk.

The Achievement meeting marks the occasion to recognize the achievements of Lake County's more than 1300 4-H club members and

the Sequoyah Neighborhood of Lakeview Council of the Girl Scouts reports that the regular October meeting was well attended. Some of the highlights of the meeting were the announcement of the new program change in Girl Scouting which will become effective Sept. 1963. There will be four groups: Brownies age 7 and 8, Juniors for 9, 10 and 11 year olds, Cadets for the 12 to 14 group, and Seniors consisting of the 15 to 17 year olds. A training program relating to this new setup was held on Oct. 25 for Neighborhood chairman and Troop organizing personnel.

It was suggested that outgrown girl scout uniforms should be given to Mrs. Derdian, neighborhood co-chairman, or Mrs. LaParr, program chairman, so that they could be available to girls coming into scouting. The next neighborhood meeting will be held on November 26th from 11 a.m. to 2 p.m. in the Lindenhurst Civic Center. Those attending should bring a nosebag lunch.

Troop 193
Mrs. Beattie, leader of Troop 193, Antioch Grade School, reports that a Halloween party was held on Oct. 25 for their troop and that it was prepared and donated by the following leaders and committee women: Mrs. Nancy St. Cyr, Mrs. Millie Stroner, Mrs. Virginia Barlow, Mrs. Stephen Young, Mrs. Roy Nelson, Mrs. Mary Chase, Mrs. Dorothy Larson, and Mrs. Shirley Schlessner and Mrs. Ida Wysoglad. The girls played games and prizes were awarded.

Troop 201
Lots of troop activities reported by Mrs. Alice Johnson, leader of troop 201 out at Grass Lake. On October 19 when school was out the troop took a field trip to Illinois Beach State Park, for a cookout which enabled Sue Schaefer to work on her cook badge requirements. In the meantime the girls preparing to fly-up from Brownies into the troop were working on trail laying which is part of their tenderfoot requirements.

A fly-up ceremony was held for the girls the following week at the Troop meeting. After presentation of the colors Mrs. Sedivec was introduced and presented the troop with a gift which was a book about scouting entitled "The Way of Understanding," by Sara Louise Arnold. Parents were welcomed, and the two Brownie leaders pinned wings on the girls who were flying up from their group. Mrs. Evelyn Zale, leader of former Brownie troop 111 presented wings to Kathy Bye, Patsy Holiman, Carol Schaefer, Veronica Wright, Debbie Zale, and Cindy Blake. Candy Gilmore who was ill will receive hers later. Then Mrs. LaParr, leader of former Brownie Troop 210 pinned wings on Bonnie Allan, Sally Steiskal, Alma Bailey, Patty LaParr, and Karin Johnson. Of this group two girls were ill, Tammy Motley, and Sheryl Jensen, and will receive their wings later. The girls made their promise and came over a rustic bridge signifying the change from Brownie to Girl Scout. Another new girl, Carol Seymour, was taken in as a transfer from another troop. Mrs. Johnson presented the new Scouts with their Girl Scout pin, World Pin, and Troop Crest, and welcomed them into Troop 201. Mrs. LaParr also presented her girls with a gift of a Girl Scout luggage identification tag.

Refreshments were then served by the girls in the Troop who have their cook badge which included Nancy Queen, Antoinette Lomma, Lenora Leider, Marianne Robis, Susan Schaefer and Leslie Gilmore.

to recognize the many local leaders who play a vital role in the 4-H program.

The Farm and Home advisers will summarize the highlights of the activities of their respective groups and announce the outstanding award winners and the two Club of the Year winners.

Three of Lake County's top 4-H members, Ted Manake, Rachel Naffziger, and Carolyn Weathers, will tell what 4-H has taught them, and how they plan to use it in their future.

A feature highlight of the program will be an illustrated talk by an International Farm Youth exchange delegate to Australia in 1960, Robert Schmidt of Salem, Wis., will tell about his observations and experiences in living with several different families in Australia. He will illustrate his talk with numerous color slides.

All 4-H club members, parents, and friends are invited to attend.

After 2 hours, cooked rare and ready to serve

4 hours later, still rare, warm and ready to serve

Only Gas cooks food perfectly,
then keeps it ready to serve for hours... automatically!

Enjoy the new freedom only a modern gas range gives you with "controlled cooking." No more running to the oven to be sure your roast hasn't over-cooked while you weren't watching it. No more problems with last-minute delays by family or guests that could ruin your carefully planned dinner.

The easiest, most modern way to cook. With "controlled cooking" you just put your food in the oven of your new range... set the cooking temperature and the timer for the number of hours the food is to cook. Then forget it. When the cooking time has elapsed, the oven heat is automatically controlled to hold

food at a "keep warm" temperature until you're ready to serve it. No over-cooking... no drying. Rare stays rare, medium stays medium and your food stays warm and flavorful up to four hours!

Modern gas ranges cook best of all. You know gas cooks for less. Now see how much better food tastes with "controlled cooking." Like smokeless broiling, thermostatically controlled top burners and all the other features, only modern gas ranges offer "controlled cooking." Be sure to see the new gas ranges this week at your nearby Northern Illinois Gas Company store or your appliance dealer's.

Service around the clock

If you want a low-priced car
...with a Wide-Track ride...
either buy a '63 Tempest

Drivers like Wide-Tracking, we found. So we widened the track on Tempest this year and now you can enjoy its road-leveling stability to your heart's content. Nobody else in the low-priced field has it, but that's their problem. What's more, nobody else gives you a choice of the 4 that goes around acting like a V-8 or a 260 h.p. V-8* that acts like nothing you ever saw before. Try one soon, at your W---T---Pontiac dealer's. **Wide-Track Tempest**

3½ Pounds Of Puffball

Michael Verkest, picnicking with his family at Fox River Park recently, found a large mushroom weighing about 3½ pounds. He donated it to the biology department of the High School.

The mushroom, says Mr. Harrison Brown, head of the Biology Dept., is of the Basidio Mycetes class of fungi, belonging to the Thallophyta group. However, most people would call it a puffball, which seems much more practical.

The puffball, Mr. Brown says, is common in timbered areas, where they will be found in a variety of sizes. One this large is rather unusual. The mushroom is edible until it reaches a certain stage in its development, when spores are formed. It then becomes poisonous.

This giant mushroom was found by Arthur Verkest at Fox River Park.

Channel Lake News

By Pearl Kapell

Celebrate 25th Anniversary
Mr. and Mrs. William Feigel of Park Ridge celebrated their 25th wedding anniversary with a reception at the American Legion Hall in Antioch.

Mrs. Feigel is the former Vivian Thies. Her parents are Mr. and Mrs. Fred Thies, Sr., of Channel Lake.

The Feigels were married in the Lutheran Church at Wilmet, and their wedding reception was held in the same hall in which they held their anniversary celebration. At that time, it was known as the Danish Hall.

About 150 guests attended the anniversary celebration, held October 25. Mr. and Mrs. Feigel were married on September 25.

Agnes Van Patten and June Jackisch, sisters of Mrs. Feigel, were her attendants at the wedding and were present at the gathering. Also present was Caroline Jacobson (formerly Shannon) who was soloist at the wedding.

A square dance club, to which the couple belong in Park Ridge, attended the celebration en masse. They wore colorful costumes and gave an exhibition of their dancing skill. Callers for the square dancing were a couple from Korea.

Mr. and Mrs. Feigel have a son, William, 17, and a daughter, Marguerite, (Micko), 10.

A buffet supper was served to the guests.

Honor Roll for Channel Lake Grades
The honor roll for the first six weeks period at Channel Lake Grade School is as follows:

Second Grade: Kathy Anderson, Joan Bjork, Linda Corey, Ralph Dowell, Patty Geiger, Rosemary Lusido, and Sandy Voskuil.

Third Grade: Patty Birt, David Dill, Bill McConahey, Gary Rush, Billy Shafer, Sharon Swiderek, Betty Waters, and Helen Zubus.

Fourth Grade: Mike Geiger, Edwin Krupo, Patty and Sue Wims.

Fifth Grade: Bruce Barnes, Belle Zubus, Debby Stankus, Donnie Dill, Susan Turner.

Sixth Grade: Frank Felde, Gary Gessler, Charles Walters, and Joyce Waters.

Seventh Grade: John Bjork, Wendy Eberman and Martin McConahey.

Eighth Grade: Richard Libowski.

Cub Scouts Organized
The Cub Scout Pack at Channel Lake, inactive for some time, was reorganized after the Friday night meeting at the school. About 11 boys will be in the Pack to start, with Lee McKinney as Cubmaster, and Margaret McKinney and Pat Harland as Den Mothers.

The boys will have their first meeting Tuesday night at the Channel Lake School, and every Tuesday thereafter.

Den Mothers are needed. **Basketball Season Starting**
The Channel Lake School basketball team will play its first game of the season at 3:30 p.m. at the Channel Lake School, Fremont will be their opponent.

The cheer leaders for this year are Susan Davis, Wendy Eberman, Sharon Kimmey, Vicki Libowski, Ceanna and Terry Portalski, Ann Stanek, Darlene Van Dorn, Joyce Waters and Donna Wetmore.

The Channel Lake Community Club will hold its regular meeting at the school on Tuesday, November 13, at 8 p.m. Their last project, the dance at the American Legion hall, was very successful. Donald Bjork was one of the winners of the Twist contest.

Sweet Adelines Invite Gals To Meeting

WANTED: Ladies who like to sing! The Lake County chapter of Sweet Adelines.

Inc. is hosting a special party for you—complete with entertainment and refreshments—at the YWCA club-house, 445 N. Genesee St., Waukegan, at 8 p.m. Monday, November 12, and extends a cordial invitation to all female residents in the Antioch-Lake Villa area. The get-together will kick off the group's annual membership promotion, and offers a chance for would-be singers to acquaint themselves with the unique type of group singing, known as "barbershop." Miss Janice Connelly, Lake County's director, points out that barbershop harmony requires no special training to be enjoyed, is open to women of all ages, and because of its four-part range, there's a "place" for every feminine voice!

The Lake County chapter, chartered in 1957, is just one of 372 similar groups throughout the United States and Canada. Rehearsals are held each Monday at the YWCA, and annual shows and regional competition are part of the fun.

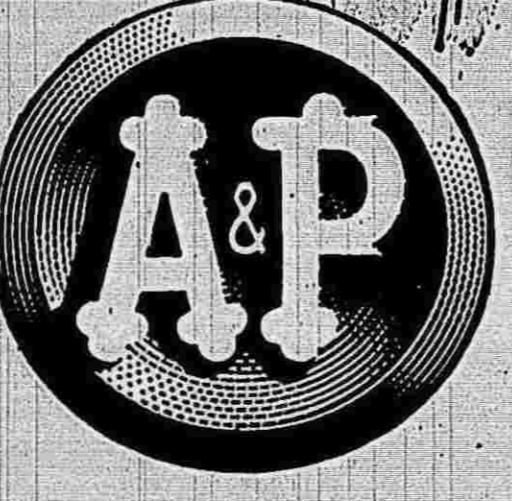

For further information, or transportation assistance, contact any Sweet Adeline member—including Mrs. Melvin Karau of Venetian Village.

Every month, CARE helps feed an average of 20 million people in 27 countries, through various programs utilizing U. S. farm abundance. Contributions to the CARE Food Crusade, 1 South State St., Chicago 3, deliver these foods to the hungry in 17 of these countries.

Millburn News

By Mrs. Frank Edwards
(November 8)

Regular services at Millburn Congregational Church Sunday, Nov. 11, include Sunday School and Church Services at 10 a.m.

The Devotional Study Group will meet at the home of Mrs. Bert Doolittle at 9 a.m., Thursday, Nov. 8. Mrs. Emmet King will be hostess.

Mrs. Roemelle Pringle and Mrs. Alred Taylor of Milwaukee, Wis., were week end guests of Mr. and Mrs. Garrett Trout.

The 63rd Annual Bazaar and Chicken Dinner held at the Masonic Hall and church last Friday evening was very successful. The unofficial report of the evening was \$1902.89.

John Edwards and daughters, Susan and Lynne, of Libertyville were callers at the home of Mrs. Frank Edwards Sunday afternoon.

Mr. and Mrs. John Clark are the parents of a son, Jeffrey Michael born at Victory Memorial Hospital Saturday, Nov. 3.

Mr. and Mrs. Arthur Hauser and children of Kenosha and Mr. and Mrs. Orville Hairrell of Waukegan spent Sunday afternoon at the home of Mr. and Mrs. Frank Hauser.

Mr. and Mrs. William Paulsen and son, Paul, were dinner guests of Mr. and Mrs. Edward Bliss of Bellewood, Sunday evening.

Mr. and Mrs. Ray Ferry of Waukegan celebrated their 50th wedding anniversary in the Masonic Hall Sunday afternoon. Open House from 2 to 4 p.m.

Sixteen members of the Senior Pilgrim Fellowship enjoyed a film of College Life at the church on Sunday evening.

Week-end guests at the home of Rev. and Mrs. L. H. Messersmith were Mr. and Mrs. Glen Davis and daughter of Ft. Wayne, Ind.

Breezeway window goes down—Mercury sales go up...up!

WHY DOES THIS BREEZEWAY REAR WINDOW help sell so many Mercury Montereys? This is styling that works! The recessed rear window stays clearer in rain or snow. It opens for controlled Flo-Thru ventilation. More wind, traffic noise and weather are shut out because the side windows can stay closed. The rear-window angle cuts glare, aids rear visibility. The extended Breezeway roof adds rear-seat headroom, shades passengers from the sun. See how practical elegance can be!

Depend On Jewel For Quality Foods! Depend On Jewel For Quality Foods! Depend On Jewel For Quality Foods!

Jewel Pork Loins Are Different!

HERE'S WHY:

Jewel Sells Only The Smaller, Leaner Pork Loins!

Jewel
Food Stores

1. Jewel buys for you only the smaller, leaner pork loins — those that weigh 12 lbs. or less. This means less fat, more lean meat per pound!

2. Then, Jewel market men skillfully carve a roast from the rib or loin end

which weighs almost exactly 4 lbs. — one third of the entire loin!

So your family enjoys more tender, juicy, flavorful, lean meat from the heart of the pork loin. Not all pork loins are the same. That's why a Jewel Pork Roast is different!

EXTRA VALUE TRIMMED
